## KEY TRANSIT FACTORS

### ♄ Saturn ☿ Conjunction ♆ natal Neptune

Right now you feel less inclined to daydream or escape into fantasy, and instead want to deal with practical reality. You may notice that vague plans or wishful thinking that once appealed to you now feel pointless, making you **more direct and realistic about what you can actually accomplish**. Over the coming weeks, this clarity can help you sort out which goals are worth your time and which ones were just pleasant distractions.

### ♄ Saturn ☿ Conjunction ☉ natal Sun

You feel a pull toward **taking things seriously** and cutting away what doesn't matter, making decisions now that you've been avoiding for months. Your tolerance for distraction drops, and you're less interested in social obligations or people-pleasing, which can feel isolating but also clarifying. Over the coming weeks, you may feel heavier or more responsible for your choices, and this weight often leads to practical changes you actually stick with.

### ♀ Venus ☿ Quincunx ♁ natal Chiron

Right now you notice that **compliments or affection from others feel slightly off or hard to accept**, even when you know they're genuine. You might find yourself over-explaining why someone's kindness doesn't quite apply to you, or wondering if they really mean it. This awkwardness in receiving care tends to fade as the weeks pass, but while it lasts you'll do better by simply saying thank you rather than analyzing why you don't deserve the attention.

### ♆ Neptune ☐ Square ♁ natal Chiron

Right now you are **ignoring practical warning signs** about where you are vulnerable or need real help. Your instinct is to downplay your limits or pretend problems will fix themselves, which leaves you exposed to mistakes you could have prevented. Over the coming weeks, reality will force you to stop dodging what needs attention and actually face how you can protect yourself.

### ♁ Chiron ☿ Conjunction ♁ natal Lilith

Right now you are more aware of how you reject parts of yourself that don't fit what you think you should be. You notice **where you push away your own needs** to keep the peace or look acceptable to others. Over the coming weeks, this awareness can help you see these patterns clearly, though it may feel uncomfortable at first.

### ☉ Sun \* Sextile ♂ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

☉ Sun ☐ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

☾ Moon ☐ Square ☿ Mercury

Right now your **feelings and thoughts are working against each other**, making it hard to say what you actually mean. You might feel irritated or misunderstood because your emotions are moving faster than your ability to explain them. These days conversations tend to go sideways even when you're trying to be clear, because *Moon* and *Mercury* are pulling in opposite directions.

LUNAR DAY

Moon in ♒ Aquarius · Day 24 / 30 · Last Quarter

**Emotional detachment increases** these days, making abstract discussions and group concerns feel more engaging than personal ones. People respond better to logic than to feeling right now, and the need for independence runs noticeably higher.

CLOTHING & JEWELRY
