KEY DATE

♂ Mars stations Retrograde

Mars stationing retrograde often brings **delays and restarts** in projects, work deadlines, and physical activities—things that felt urgent suddenly move slower or need reworking. People commonly notice they feel less pushy, more willing to **reconsider decisions** they made before, and sometimes **old conflicts or rivalries** come back up that need settling. In practical terms, this is a good time to **revise plans** rather than launch new ones, fix broken equipment, and handle any pending arguments you've been avoiding.

KEY TRANSIT FACTORS

☾ Moon * Sextile ♆ natal Neptune ★

Your **intuition about other people becomes unusually reliable** right now, and you pick up on what's really going on beneath the surface without needing explanations. You feel more patient with emotional mess, both your own and others', because you're naturally more accepting of complicated feelings. These days you can actually listen without trying to fix or judge, which makes people around you relax and open up more than usual.

☾ Moon * Sextile ☉ natal Sun ★

You feel **more comfortable with yourself** right now, which makes it easier to speak up in conversations and take small actions you have been putting off. Your mood is steady enough that you can actually listen to other people instead of getting caught up in your own concerns. While this *Moon sextile Sun* lasts, things that usually feel difficult—like asking for help or sharing what you think—feel more natural.

♀ Venus ☐ Square ☉ natal Sun

Right now you feel **less attractive and less sure of yourself** than usual, which makes social situations feel awkward instead of enjoyable. You may notice that people are not responding to you the way they normally do, or that you are picking fights over small things in your close relationships. This friction is temporary, but while it lasts, you will need to be more intentional about how you show up around others instead of relying on your usual charm.

♁ NNode ∟ Semi sextile ♃ natal Jupiter

Over the coming weeks, you find it easier to say yes to opportunities that genuinely interest you, and **people respond well to your openness**. Small doors open without you having to push hard—a conversation leads to an invitation, or you spot something useful almost by accident. You feel less blocked by your own doubts right now, which means you actually follow through on ideas instead of talking yourself out of them.

♀ Venus ☐ Square ♆ natal Neptune

Right now you are **mixing fantasy with reality in relationships**, making promises you cannot keep or imagining closeness that does not actually exist. You may spend money on things or people that feel meaningful in the moment but leave you feeling foolish afterward. Over the coming weeks, your disappointment comes from expecting others to match an ideal version of them that lives only in your head.

♂ Mars Rx · ♀ Gemini

Energy scatters across too many directions right now, making sustained effort on a single goal unusually difficult. Arguments or miscommunications can flare up without clear cause, and the frustration of divided attention builds quickly. Choose one or two priorities and protect them from the rest during this period.

☉ Sun ☾ Semi sextile ☾ Moon

These days you find it easier to **act on what you actually feel** instead of second-guessing yourself. Your emotional reactions and your practical choices line up more naturally, so you waste less energy fighting your own instincts. This makes conversations smoother and decisions quicker because you're not pulling yourself in opposite directions.

☉ Sun ♂ Conjunction ♀ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

☉ Sun ♂ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.
