## KEY TRANSIT FACTORS

### ☉ Sun \* Sextile ♄ natal Saturn ★

Right now you feel **more capable of following through** on what you say you will do, and people notice the difference. Your practical judgment is sharper during this period, so you make fewer impulsive decisions and regret them less. This is the time to tackle projects that need real discipline and to build something that will actually last.

### ♆ Neptune \* Sextile ☾ natal Moon ★

Your **emotional intuition is sharper right now**, and you pick up on what people actually mean beneath their words. You find yourself more patient with others' feelings and less likely to react defensively when someone upsets you. Over the coming weeks, this softer approach tends to draw people closer to you and makes conversations feel safer for everyone involved.

### ☿ Mercury ☐ Square ♆ natal Neptune

Right now your thinking feels scattered and you struggle to pin down what you actually mean when you try to explain yourself. You say things you don't quite believe, or you get halfway through a sentence and realize you've lost your point completely. These mixed signals in your communication create **misunderstandings with people who matter to you**, and it takes real effort to slow down and say things clearly instead of in the fuzzy way that feels natural to you at the moment.

### ♂ Mars ☐ Square ♁ natal NNode

Right now you're running into **friction between what you want to do and what actually serves you**. You feel driven to push forward on things, but people keep pushing back or circumstances keep blocking you, which makes you impatient and irritable. Over the coming weeks, the lesson is that not every impulse deserves action—some conflicts are telling you to slow down and check your direction.

### ☿ Mercury ☐ Square ☉ natal Sun

Right now you're likely to **second-guess your own opinions** and struggle to communicate what you actually think. People may misunderstand your words or you may find yourself contradicting yourself mid-conversation, which creates friction with others. Over the coming weeks, you'll need to slow down before speaking and accept that getting your point across will take more effort than usual.

### ☉ Sun ∟ Semi sextile ☿ Mercury

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

### ☉ Sun \* Sextile ♂ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

### ☉ Sun △ Trine ♃ Neptune

These days you feel **more comfortable being yourself around others** without needing to explain or defend who you are. People respond better to you right now because you're relaxed enough to listen to what they actually need instead of pushing your own agenda. This period favors creative work, gentle conversations, and situations where you can help someone without it costing you anything.
