KEY TRANSIT FACTORS

♆ Neptune * Sextile ☾ natal Moon ★

Your **emotional intuition is sharper right now**, and you pick up on what people actually mean beneath their words. You find yourself more patient with others' feelings and less likely to react defensively when someone upsets you. Over the coming weeks, this softer approach tends to draw people closer to you and makes conversations feel safer for everyone involved.

♀ Venus □ Square ☾ natal Moon

Right now you're more critical of the people close to you, especially about how they show affection or support you. You might push away someone who's trying to help because you **feel disconnected from what they're offering**, even if it's genuinely good. This frustration can make you withdraw or say things you regret, so it helps to notice when you're in this mood before you act on it.

♀ Venus qx Quincunx ♄ natal Saturn

Right now you feel pulled between wanting closeness with someone and needing to keep your distance, which makes you act uncertain in social situations. You might say yes to plans and then back out, or hold back from expressing what you actually want because you are unsure how it will land. These mixed feelings are temporary, but while this lasts they can make your relationships feel awkward or leave you feeling dissatisfied with how you are connecting.

♂ Mars ☍ Opposition ♇ natal Pluto

You feel an unusual **drive to challenge authority or push back against rules** that normally you accept without question. Your frustration builds quickly when you sense someone trying to control you, and you may act on that irritation before thinking through the consequences. These days, your willingness to start confrontations can damage relationships or create practical problems at work that take months to repair.

♂ Mars qx Quincunx ♃ natal Jupiter

Over the coming weeks, you're likely to feel **restless about your own plans and impatient with delays**, even when things are actually moving forward. *Mars* is pushing you to act faster while *Jupiter* keeps pulling toward bigger thinking, so you end up frustrated that progress isn't matching your drive. The practical fix is to break large goals into smaller actions you can complete right now instead of waiting for the perfect moment.

☿ Mercury Rx · ♌ Leo

Self-expression feels less fluid right now and there is a tendency to overthink how you come across to others. Conversations about recognition, creative projects, or past performances may resurface during this period. Creative work benefits more from revision than from new starts right now.

♄ Saturn Rx · ♒ Aquarius

The structures supporting group goals, social commitments, and future-oriented plans are being honestly tested right now. Rules and systems that seemed useful may prove unnecessarily rigid under pressure. Distinguishing between structures worth preserving and those worth updating is the most useful work of this period.

☾ Moon ♂ Conjunction ♃ Mercury

These days your thoughts and feelings are moving in the same direction, which makes it easier to talk about what you actually feel instead of hiding it. You find yourself wanting to tell people what's on your mind, and the words come out more naturally than usual. This is a good time to have practical conversations about emotional topics, since you're not overthinking or getting stuck in your head.

☾ Moon ♂ Conjunction ♀ Venus

These days you feel more **comfortable showing affection** to the people around you, and they respond by being warmer in return. Your *Moon* and *Venus* are aligned right now, which makes it easier to express what you actually care about instead of holding back. This is a good window for having honest conversations with someone you're close to, or simply spending time with people who matter to you without the usual self-consciousness.

☾ Moon ∟ Semi sextile ♃ Jupiter

These days you feel a bit more generous with yourself and others, which makes social situations feel easier and less forced. You're noticing small good things around you more readily, and this **gentle optimism** makes it simpler to ask for help or offer support without overthinking it. The *Moon* and *Jupiter* connection right now creates a quiet permission to be a little kinder to yourself about your limitations.
