KEY TRANSIT FACTORS

♆ Neptune * Sextile ☾ natal Moon ★

Your **emotional intuition is sharper right now**, and you pick up on what people actually mean beneath their words. You find yourself more patient with others' feelings and less likely to react defensively when someone upsets you. Over the coming weeks, this softer approach tends to draw people closer to you and makes conversations feel safer for everyone involved.

♆ Neptune ♀ Conjunction ☉ natal Sun ★

You are less certain about who you are right now, and that shows in how you present yourself to others. Your usual sense of direction feels fuzzy, and you might find yourself **blending in with whatever group you're around rather than standing out**. Over the coming weeks, people may see you as more flexible or dreamy than usual, and you may struggle to remember what you actually want separate from what others want.

♁ NNode ∟ Semi sextile ☾ natal Moon ★

While this lasts, you find it easier to **listen to what you actually need** instead of pushing through discomfort. People around you tend to respond well to you right now because you're more relaxed and genuine in conversations. Over the coming weeks, small emotional hurdles feel less like obstacles and more like things you can work through naturally.

♅ Uranus ☐ Square ♁ natal NNode

You feel restless about the direction you have been heading and suddenly want to break away from familiar patterns, even though people around you expect you to stay the course. This **urge to rebel against your own commitments** creates real friction in your relationships and work right now. Over the coming weeks, you will need to figure out whether you are running from something real or just chasing change for its own sake.

♇ Pluto * Sextile ♆ natal Neptune

While this lasts, you find it easier to **see through confusion and spot what's actually real** in situations that usually feel murky to you. Your intuition sharpens without becoming unreliable, so you can trust your gut feelings more than usual. This is a good time to make decisions about things you've been uncertain about, because you're cutting through the fog naturally.

♀ Venus Rx · ♈ Aries

Relationships feel competitive or impatient right now, and old romantic patterns tend to resurface. Impulsive decisions about love, money, or self-presentation made during this period often need correction afterward. What feels like a fresh start now is more likely a return to something unresolved.

♃ Jupiter Rx · ♎ Libra

The growth of partnerships and social connections pauses for internal review during this period. Beliefs about fairness, collaboration, and what constitutes a good agreement are being quietly re-examined. Clarifying what you genuinely want from close relationships matters more right now than what seems reasonable on the surface.

› Moon ♂ Conjunction ♀ Venus

These days you feel more **comfortable showing affection** to the people around you, and they respond by being warmer in return. Your *Moon* and *Venus* are aligned right now, which makes it easier to express what you actually care about instead of holding back. This is a good window for having honest conversations with someone you're close to, or simply spending time with people who matter to you without the usual self-consciousness.

› Moon ☐ Square ♂ Mars

These days you're more likely to act on frustration before you think it through, and small annoyances can feel urgent and demanding. **Your emotional reactions move faster than your good judgment**, so conversations with others can turn sharp or heated quickly. This period pushes you to notice the gap between what you feel and what actually needs to happen right now.

› Moon ☐ Square ♂ Uranus

These days you feel restless and want to break free from routines that suddenly feel suffocating, even if they were fine yesterday. Your **mood swings unpredictably** and you push away people who try to comfort you or offer practical help. While this lasts, small emotional disappointments hit harder than usual, and you may snap at others or make sudden changes you regret later.
