KEY TRANSIT FACTORS

♆ Neptune * Sextile ☾ natal Moon ★

Your **emotional intuition is sharper right now**, and you pick up on what people actually mean beneath their words. You find yourself more patient with others' feelings and less likely to react defensively when someone upsets you. Over the coming weeks, this softer approach tends to draw people closer to you and makes conversations feel safer for everyone involved.

♆ Neptune ☿ Conjunction ☉ natal Sun ★

You are less certain about who you are right now, and that shows in how you present yourself to others. Your usual sense of direction feels fuzzy, and you might find yourself **blending in with whatever group you're around rather than standing out**. Over the coming weeks, people may see you as more flexible or dreamy than usual, and you may struggle to remember what you actually want separate from what others want.

♄ Saturn ∟ Semi sextile ♅ natal Uranus

These days you find it easier to act on your unconventional ideas without feeling rushed or reckless about them. Your **natural caution helps you test new approaches before committing fully**, which means your experiments with different ways of doing things actually stick around. Over the coming weeks, this steadier pace lets you build something real from the innovations you've been wanting to try.

♅ Uranus ☐ Square ♊ natal NNode

You feel restless about the direction you have been heading and suddenly want to break away from familiar patterns, even though people around you expect you to stay the course. This **urge to rebel against your own commitments** creates real friction in your relationships and work right now. Over the coming weeks, you will need to figure out whether you are running from something real or just chasing change for its own sake.

♆ Neptune * Sextile ♄ natal Saturn

Right now you find it easier to **organize vague ideas into actual plans** without getting lost in details. Your practical side is working well with your imagination, so you can sketch out a direction and know roughly how to get there. Over the coming weeks, this steadiness means you can trust your instincts about which dreams are worth the effort.

♃ Jupiter Rx • ♎ Libra

The growth of partnerships and social connections pauses for internal review during this period. Beliefs about fairness, collaboration, and what constitutes a good agreement are being quietly re-examined. Clarifying what you genuinely want from close relationships matters more right now than what seems reasonable on the surface.

☉ Sun ☐ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

› **Moon ☾ Semi sextile ♀ Venus**

These days you find it easier to **say what you actually feel** without worrying so much about how it lands. The emotional and social parts of you are working together instead of against each other, so expressing affection or gratitude comes naturally. This is a good window for having honest conversations with people you care about without the usual awkwardness getting in the way.

› **Moon △ Trine ♃ Neptune**

These days you find it easier to **listen to what people actually need instead of what they say**, and conversations feel less defensive on both sides. Your emotional reactions are softer right now, so small annoyances don't trigger the same quick frustration they normally would. This is a good window for talking through something difficult because you're naturally more patient and people sense you're genuinely trying to understand them.

LUNAR DAY

Moon in ♉ Taurus · Day 29 / 30 · Waning Crescent

The pace slows considerably during this transit as comfort and familiar surroundings take priority over efficiency. Resistance to change hardens, and any disruption to routine tends to provoke stubborn pushback.
