## KEY TRANSIT FACTORS

### ☉ Sun ☐ Square ♁ natal NNode ★

Right now you feel pulled in two directions at once, between what you want to do and what you sense you should be doing. You're likely **second-guessing your choices** and questioning whether you're on the right track with work or relationships. This friction is real, and over the coming weeks you'll need to sit with the discomfort instead of rushing to resolve it.

### ☉ Sun ★ Sextile ♄ Saturn ★

Right now you find it easier to follow through on what you say you'll do, and people notice you're more reliable than usual. Your practical judgement is sharp, so **you can see what actually needs to happen** instead of getting distracted by what sounds exciting. This is the kind of period where effort pays off directly, so if you've been putting something off, the conditions are there to make real progress without burning yourself out.

### ♂ Mars △ Trine ☾ natal Moon

Right now you're noticing that your **gut feelings guide you toward action without hesitation**, and other people respond well to this directness. What usually takes you weeks to decide feels clear and doable in a matter of days. Over the coming weeks, you'll likely tackle practical tasks and conversations that have been sitting on your to-do list, because your emotional confidence and motivation are running in sync.

### ♂ Mars △ Trine ♄ natal Saturn

Right now you're finding it easier to **follow through on difficult tasks without cutting corners**, because your impatience has natural brakes built in. You have the stamina to do slow, steady work that actually matters, and you don't feel frustrated by the time it takes. Over the coming weeks, people notice you as someone who delivers reliable results instead of making excuses.

### ☉ Sun ☿ Opposition ♆ natal Neptune

Right now you are more **prone to self-doubt and confusion about what you actually want**, making it harder to commit to decisions or stick with plans. People around you may find you harder to read, and you might say things you do not quite mean or make promises you cannot keep. Over the coming weeks, staying practical and checking your assumptions against reality will be your best defense against wasting time on things that will not work out.

### ☉ Sun ☿ Opposition ☉ natal Sun

Right now you're running into **resistance from other people** when you try to assert yourself or push forward with your own plans. Others seem to want the opposite of what you want, and you feel like you're constantly having to defend your position or compromise. This period is showing you where your needs clash with those around you, and it's exhausting to navigate that friction every day.

### ☿ Mercury Rx · ♋ Cancer

Your thinking turns inward and emotionally colored during this period, making objective analysis harder. Past conversations or unresolved family matters resurface and demand attention. Revisiting emotional decisions is more useful now than making new ones while this lasts.

### ☉ Sun ☿ Conjunction ♂ Mars

Right now you feel **more direct and willing to take action** on things you normally hesitate about. You're likely to speak up in conversations, push forward with a project, or make a decision you've been putting off. This practical confidence usually fades once the transit passes, so use it to handle what actually needs doing.

☉ Sun ♂ Conjunction ♁ NNode

Right now you feel drawn toward activities and people that match who you actually are rather than who you think you should be. This creates a practical opportunity to make small choices that align better with your real interests and strengths. These days many people find themselves being more direct about what they want, which can clear the air in relationships and work situations.

LUNAR DAY

Moon in ♒ Aquarius · Day 16 / 30 · Full Moon

**Emotional detachment increases** these days, making abstract discussions and group concerns feel more engaging than personal ones. People respond better to logic than to feeling right now, and the need for independence runs noticeably higher.

CLOTHING & JEWELRY
