KEY TRANSIT FACTORS

☿ Mercury ☌ Conjunction ♄ natal Saturn

These days your thinking becomes more **careful and methodical**, and you naturally slow down before making decisions. You find yourself questioning things you normally accept without much thought, which can feel like useful doubt or frustrating overthinking depending on the situation. This deliberate approach works well for planning and detail work, but may make casual conversation feel more strained than usual.

☿ Mercury △ Trine ☾ natal Moon

Right now you find it much easier to say what you actually feel without overthinking it. Your conversations with people close to you flow naturally because you can **express emotions clearly and listen without getting defensive**. This is a good window to have the conversations you've been putting off, since what you say lands well and creates real understanding.

♀ Venus ☌ Quincunx ☾ natal Moon

Over the coming weeks, you may find your usual way of showing affection feels slightly off or awkward. You might want closeness but struggle to express it in ways that actually land with the people you care about. Small adjustments to how you approach relationships will help you feel more comfortable.

♀ Venus ∟ Semi sextile ♄ natal Saturn

You find it easier right now to **be honest about what you actually want** instead of settling for less. This isn't dramatic or pushy—it's just a quiet clarity that helps you say no to things that don't fit and yes to people and situations that matter. Over the coming weeks, you might notice relationships and commitments feel more solid because you're not pretending or overcommitting.

♁ NNode △ Trine ♁ natal NNode

Right now you find yourself **naturally moving toward people and situations that feel right for you**, without having to force or overthink the decision. You meet someone useful or stumble into an opportunity that aligns with what you actually want to be doing. This period supports you in following your instincts about where to put your effort, and doors tend to open when you do.

☉ Sun △ Trine ☾ Moon

These days you find it easier to know what you actually want and to ask for it without overthinking. Your emotional reactions line up with your real goals, so you move forward without fighting yourself. This is a good time to make decisions or have conversations because you sound genuine and people respond well to that.

☉ Sun □ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

› Moon ∟ Semi sextile ♃ Jupiter

These days you feel a bit more generous with yourself and others, which makes social situations feel easier and less forced. You're noticing small good things around you more readily, and this **gentle optimism** makes it simpler to ask for help or offer support without overthinking it. The *Moon* and *Jupiter* connection right now creates a quiet permission to be a little kinder to yourself about your limitations.

LUNAR DAY

Moon in ♌ Leo · Day 10 / 30 · First Quarter

The social atmosphere becomes more expressive these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.
