KEY TRANSIT FACTORS

♊ NNode ☐ Square ♀ natal Venus

Right now you are more **critical of your relationships and what you want from them**, and this makes it harder to enjoy the people close to you. You might find yourself questioning whether your partner, friends, or family actually fit what you need, or you push them away before they can disappoint you. Over the coming weeks, this friction can help you get honest about what you will and will not accept from others, but the process feels uncomfortable and isolating while it lasts.

♅ Uranus ☐ Square ♁ natal Pluto

You feel a strong urge to blow up situations that have felt stuck for a long time, and this impulse is hard to ignore right now. Your **need for sudden change clashes with your instinct to maintain control**, which creates real friction in your decisions and relationships. Over the coming weeks, you may act impulsively on things you normally handle with calculation, and the fallout could be messy because you're not thinking through the practical consequences.

☿ Mercury ☉ Opposition ☾ natal Moon

Right now your mind and your gut feelings are working against each other, making everyday decisions feel harder than usual. You might find yourself **overthinking conversations** or replaying what people said to you, even though the words meant something different when you heard them. Over the coming weeks, this misalignment between what you think and what you feel can lead to awkward moments with people close to you, so it helps to double-check your understanding before reacting.

☿ Mercury * Sextile ♄ natal Saturn

Your thinking becomes **clearer and more organized** right now, making it easier to plan projects and solve practical problems. You naturally focus on what actually matters instead of getting distracted, and people notice you're easier to talk to because you explain things well. This is a good time to handle details, write things down, or have conversations about serious topics since your mind and your ability to follow through line up perfectly.

♅ Uranus ∟ Semi sextile ☿ natal Mercury

Over the coming weeks, your mind becomes **quicker to spot new angles on old problems**, and you find yourself asking questions you wouldn't normally ask. Small talk feels less interesting, but one-on-one conversations where you can explore unusual ideas feel energizing and natural. This is a good time to try a different approach to something at work or pick up a skill you've been curious about, because your brain is genuinely primed for it right now.

☿ Mercury Rx · ♉ Taurus

Mental processes slow noticeably and a stubbornness in thinking makes it harder than usual to change your mind. These days you may return to financial decisions, possessions, or value-related questions that seemed settled. Take your time — the careful review you do now will save costly corrections later.

☉ Sun ☾ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun ☐ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

LUNAR DAY

Moon in ♈ Aries · Day 28 / 30 · Waning Crescent

Impatience with delays rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.
