KEY TRANSIT FACTORS

☉ Sun * Sextile ♁ natal Chiron

These days you find it easier to talk about your past difficulties without getting stuck in them or feeling ashamed. You're **more willing to help others with their problems** because you can see how your own hard experiences actually taught you something useful. This period brings a practical confidence that lets you turn what once hurt you into real advice people actually want to hear.

♄ Saturn ♂ Conjunction ♁ natal Lilith

While this lasts, you become much more aware of the rules you've been breaking or ignoring, and you feel pressure to either follow them or admit you won't. You experience **reluctance to pretend anymore**—social expectations that never bothered you before suddenly feel heavy and false. Over the coming weeks, you'll likely make a choice about which boundaries you actually respect and which ones you're ready to stop hiding behind.

♂ Mars * Sextile ☉ natal Sun

Right now you feel **naturally motivated to get things done** without pushing yourself too hard. Your confidence is steady, and you tackle practical tasks at work or home with clear direction and follow-through. This is an ideal window to start a project or commit to something you've been thinking about, because your actions line up with what actually matters to you.

♂ Mars * Sextile ♆ natal Neptune

You find it easier right now to **turn your ideas into actual plans** without getting bogged down in details or self-doubt. Your practical side and your imagination are working together instead of pulling in different directions. Over the coming weeks, you can make real progress on creative or personal projects that usually feel too vague or difficult to start.

♅ Uranus ∟ Semi sextile ♅ natal Uranus

These days you feel **more willing to try small changes** without overthinking them, and you notice this actually works in your favour. Your practical decisions come with a bit more confidence, like you trust your own judgment in ways you usually second-guess. Over the coming weeks, this gentle shift from *Uranus* gives you permission to experiment with routines or habits that have felt stuck, and most of these experiments stick around because they genuinely improve your life.

♄ Saturn Rx • ♋ Cancer

The structures that support emotional security — family obligations, domestic arrangements, and habitual patterns of care — are being reassessed right now. Boundaries in close relationships may feel either too rigid or insufficiently maintained. Honest reflection on what genuinely sustains you yields more now than seeking external reassurance.

☉ Sun ♂ Quincunx ☾ Moon

At the moment, your **emotional needs and practical goals are pulling in different directions**, and this creates a low-level discomfort that's hard to name. You might feel restless or slightly out of sync—your body wants one thing while your mind is focused on something else entirely. This isn't a crisis, but it does mean you'll need to make small adjustments throughout the day to feel more settled.

☉ Sun ☾ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun ☐ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

LUNAR DAY

Moon in ♉ Taurus · Day 13 / 30 · Waxing Gibbous

The pace slows considerably during this transit as comfort and familiar surroundings take priority over efficiency. Resistance to change hardens, and any disruption to routine tends to provoke stubborn pushback.
