KEY TRANSIT FACTORS

☉ Sun * Sextile ☾ natal Moon *

Right now you find it easier to **act on what you actually feel** instead of second-guessing yourself. Your *Sun* and *Moon* are working together, so your instincts match your choices and you trust your gut more readily. Over the coming weeks, people around you will likely respond well because you come across as genuine and settled in yourself.

☉ Sun Δ Trine ♆ natal Neptune

Right now you find it easier to **stay calm when things are uncertain**, and people notice you seem more relaxed and approachable. Your imagination is working well for practical things, so creative problems at work or home feel less stuck than usual. These days your social interactions flow without effort, and you're picking up on what others need without them having to spell it out.

♁ NNode ∟ Semi sextile ♂ natal Mars

Over the coming weeks, you find yourself **more willing to take small risks and speak up for what you want**. People around you seem to respond better to your directness, and you notice you're not second-guessing yourself as much. This is a natural window where your practical confidence gets a gentle push forward, making it easier to pursue goals you've been putting off.

♂ Mars qx Quincunx ☉ natal Sun

Over the coming weeks, you may notice your usual way of taking action feels slightly off or requires more effort than normal. You might start a task with confidence but then need to adjust your approach midway through, or feel restless when your plans don't go exactly as you expect. This **mismatch between your drive and your direction** usually settles down once you accept that forcing things won't work—small changes in strategy will.

☉ Sun Δ Trine ☉ natal Sun

You feel **naturally confident** in who you are right now, and people respond to that ease in you. Your goals and what you actually want to do line up better than usual, so decisions feel less exhausting. Over the coming weeks you'll probably notice yourself moving forward on things without having to push so hard.

☉ Sun □ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun □ Square ♇ Pluto

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.

› Moon ☾ Conjunction ♃ Jupiter

Right now you feel more **generous and open to other people** than usual, which makes it easier to connect socially or ask for what you need. Your emotional confidence is higher, so you're more likely to take a chance on something that normally makes you nervous. This mood won't last forever, so use it to have conversations you've been putting off or to try something that requires a bit of courage.
