KEY DATE

♃ Jupiter enters ♑ Capricorn

Jupiter in *Capricorn* brings a **practical focus to growth**, and you'll notice people around you caring more about real results than big promises. At work and in money matters, there's a shift toward **building slowly and checking progress** — promotions come through steady effort, not sudden luck, and people stop wasting time on schemes that sound good but don't hold up. In relationships and personal goals, **patience and structure** actually start to feel rewarding instead of boring, so this is when people finally follow through on plans they've been putting off.

KEY TRANSIT FACTORS

♃ Jupiter ∠ Semi sextile ♅ natal Uranus ★

Over the coming weeks, you feel **more willing to try new approaches** without abandoning what already works for you. Small opportunities for practical change show up in your routines, and you have the confidence to test them out. This is a good time to experiment with a new habit or way of doing something because the risk feels manageable and the potential payoff feels real.

♃ Jupiter ★ Sextile ♀ natal Venus ★

These days you find it easier to say yes to social invitations and connect with people who matter to you. You feel **naturally generous** with your time and attention, which makes others want to be around you more. This period is ideal for deepening friendships, starting new relationships, or simply enjoying the company you keep without forcing anything.

♃ Jupiter ∠ Semi sextile ☿ natal Mercury ★

Your thinking becomes more practical and purposeful these days, and you find it easier to explain your ideas to other people without getting tangled up in details. You're **more optimistic about what you can accomplish** when you speak up or write something down, and that confidence often translates into real results. Over the coming weeks, small conversations or written messages tend to open doors that might have stayed closed before.

♃ Jupiter ∠ Semi sextile ♇ natal Pluto ★

While this lasts, you find yourself **willing to take small risks that push you past old limits**. You feel a quiet confidence in your ability to handle situations that normally feel too big or demanding, and you naturally start saying yes to opportunities you would have avoided before. Over the coming weeks, this steady courage tends to open doors that lead to real personal or professional growth.

♁ NNode ☿ Conjunction ♀ natal Venus

These days you are **drawn toward people and situations that feel more authentic to you**, and you find it easier to say no to relationships or commitments that don't fit. Your social choices become clearer because you care less about keeping peace and more about genuine connection. Over the coming weeks, pay attention to which people and activities you naturally gravitate toward—they are showing you what actually matters to you right now.

♂ Mars Rx · ♋ Cancer

Aggression and frustration tend to be expressed passively or indirectly right now rather than directly. Domestic tensions that have been suppressed may surface during this period. Identifying what you actually want from a situation — before reacting — is more useful than it normally is.

☉ Sun Δ Trine ☾ Moon

These days you find it easier to know what you actually want and to ask for it without overthinking. Your emotional reactions line up with your real goals, so you move forward without fighting yourself. This is a good time to make decisions or have conversations because you sound genuine and people respond well to that.

☉ Sun ♂ Conjunction ♿ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

☉ Sun ♂ Conjunction ♃ Jupiter

Right now you feel more confident about your abilities and less worried about what could go wrong. You are **more willing to take on bigger challenges** and speak up in situations where you normally stay quiet. This period tends to bring real opportunities your way because you are actually showing up differently, not because of luck.
