KEY TRANSIT FACTORS

☉ Sun ★ Sextile ☾ Moon ★

These days you find it easier to know what you actually want and then act on it without second-guessing yourself. Your **practical needs and your emotional needs are pointing in the same direction**, so decisions feel less confusing. This alignment between the *Sun* and *Moon* means you can move forward with both confidence and peace of mind.

☉ Sun □ Square ♁ NNode ★

These days you feel pulled between who you are right now and who you think you should become, and this gap creates real frustration. You might **resist feedback or advice** because accepting it feels like admitting you are not enough as you are. The practical result is that growth happens anyway, but it costs you energy and confidence in the short term.

♁ NNode △ Trine ♁ natal Chiron

Right now you find it easier to talk about your past mistakes and disappointments without getting stuck in shame or defensiveness. People around you respond better when you speak honestly about what you've learned from difficult experiences, and you **naturally become more comfortable sharing your story**. Over the coming weeks, this openness creates real connections with others who have been through similar struggles.

♆ Neptune △ Trine ♁ natal NNode

While this lasts, you find it easier to **trust your instincts about which direction to take** in life, especially in areas where you've felt uncertain before. People around you respond well to your openness, and conversations flow naturally without you having to push or convince anyone of anything. This period softens the usual friction between what you want and what feels right, so you can move forward without second-guessing yourself.

♂ Mars △ Trine ♄ natal Saturn

Right now you're finding it easier to **follow through on difficult tasks without cutting corners**, because your impatience has natural brakes built in. You have the stamina to do slow, steady work that actually matters, and you don't feel frustrated by the time it takes. Over the coming weeks, people notice you as someone who delivers reliable results instead of making excuses.

♂ Mars ☿ Conjunction ☾ natal Moon

You're feeling **more direct and impatient with people right now**, especially if something upsets you emotionally. Your instinct is to react fast instead of sitting with feelings, and you may say things bluntly that you'd normally keep private. These days small irritations can trigger sudden anger, so it helps to notice when you're running hot before you speak.

♂ Mars ∟ Semi sextile ♁ natal NNode

These days you feel more **direct and purposeful about pursuing what matters to you**, without the usual second-guessing. *Mars* is giving you a practical push to act on the interests and connections that actually fit who you are. Over the coming weeks, small steps forward in the right direction will feel easier and more natural than they usually do.

☉ Sun □ Square ♁ Chiron

Right now you are more aware of your own weak spots and past hurts, which makes it harder to feel confident in what you're doing. You might find yourself **second-guessing your choices** or feeling like you're not good enough, even when you're performing well. This psychological self-doubt is temporary, but it takes real effort to push through it and keep moving forward.
