## KEY TRANSIT FACTORS

### ♀ Venus ☾ Semi sextile ♁ natal Uranus ★

While this lasts, you feel more comfortable being yourself around people instead of playing a role. You might suddenly be drawn to friends or partners who actually get your quirks rather than those who want you to fit in. This small shift gives you permission to relax and enjoy connections where you don't have to pretend.

### ♀ Venus ☾ Semi sextile ☿ natal Mercury ★

Over the coming weeks, your conversations flow more easily and people respond well to what you say. You find yourself **speaking with more warmth and genuinely interested in what others think**, which makes them want to talk with you. This natural charm in how you communicate opens doors socially and professionally without you having to force anything.

### ☿ Mercury ☐ Square ♁ natal NNode

Right now you are **second-guessing decisions** that normally feel clear to you, and this confusion is making it hard to move forward. Your mind is pulling you toward safe, familiar ways of thinking instead of the newer directions you have been trying to explore. Over the coming weeks, you will need to push past this mental resistance or risk sliding back into old patterns that no longer serve you.

### ♃ Jupiter ☾ Semi sextile ☉ natal Sun

You feel a quiet boost to your confidence right now, making it easier to speak up in situations where you'd normally hold back. People respond well to you at the moment because you come across as genuinely interested and **naturally encouraging**, which opens social and professional doors. This support from *Jupiter* touching your *Sun* lasts a few weeks and works best when you actually say yes to invitations and new opportunities instead of waiting for the perfect moment.

### ♃ Jupiter ☾ Semi sextile ♆ natal Neptune

Over the coming weeks, you'll find it easier to **notice small details others miss** and pick up on what people really mean when they talk. Your intuition is quieter than usual but more reliable, so you can trust those gut feelings about situations or other people. This is a good time to act on creative ideas or make sense of something confusing because your mind is unusually clear right now.

### ♂ Mars Rx • ♌ Leo

The desire for recognition and creative output is present but blocked or redirected during this period. Ambitions that felt exciting may feel suddenly hollow, or effortful performance yields less response than expected. Reassessing your goals is more honest and productive now than seeking visible results.

### ☉ Sun ☽ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

### ☉ Sun ☐ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

## ☉ Sun ♂ Conjunction ♇ Pluto

These days you're more aware of what actually matters to you and less willing to pretend otherwise. You may feel **driven to make real changes** — dropping habits that feel fake or relationships that drain you — even if it makes things uncomfortable for a while. This isn't about drama; it's about wanting your life to match what you actually believe.

### LUNAR DAY

Moon in ♈ Aries · Day 9 / 30 · First Quarter

**Impatience with delays** rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.

### CLOTHING & JEWELRY

Friday · ♀ Venus · Venus in Pisces

Friday belongs to Venus — soft pink, rose, or pastel tones attract beauty and harmony. Rose quartz close to the heart enhances warmth and connection throughout the day.
