KEY TRANSIT FACTORS

☉ Sun ☐ Square ♋ natal NNode ★

Right now you feel pulled in two directions at once, between what you want to do and what you sense you should be doing. You're likely **second-guessing your choices** and questioning whether you're on the right track with work or relationships. This friction is real, and over the coming weeks you'll need to sit with the discomfort instead of rushing to resolve it.

♆ Neptune ★ Sextile ♃ natal Jupiter

You're finding it easier to see the bigger picture in situations that usually feel confusing or overwhelming. Your **confidence in what's possible** is quietly growing, and people around you notice you're more relaxed about uncertainty. Over the coming weeks, this natural optimism can help you take practical steps toward goals you've been hesitant about.

♂ Mars △ Trine ♂ natal Mars

You find it easier to push through physical tasks and stick with difficult goals while this lasts. Your usual drive gets a real boost, so work projects move faster and exercise feels less like a battle. This is a good time to tackle anything that requires sustained effort because your natural assertiveness and your ability to follow through are working together smoothly.

♋ NNode ∟ Semi sextile ♃ natal Jupiter

Over the coming weeks, you find it easier to say yes to opportunities that genuinely interest you, and **people respond well to your openness**. Small doors open without you having to push hard—a conversation leads to an invitation, or you spot something useful almost by accident. You feel less blocked by your own doubts right now, which means you actually follow through on ideas instead of talking yourself out of them.

♋ NNode ♂ Conjunction ♇ natal Pluto

You are drawn to situations where you have to confront what you actually want instead of what you think you should want. This period brings moments where your usual ways of handling power and control no longer work, forcing you to make real changes in how you relate to others. Over the coming weeks, you may find yourself saying no to people or situations you would normally tolerate, which feels uncomfortable but also oddly necessary.

☉ Sun ☐ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

☾ Moon ☐ Square ♆ Neptune

Right now your emotional responses feel disconnected from what is actually happening around you. You might **overreact to small problems or miss real warning signs** because your feelings are not matching the facts. This mismatch between what you feel and what is real makes it hard to trust your own judgment about people and situations.

› Moon ☾ Opposition ♋ NNode

Right now you feel pulled between what you want emotionally and what you know you need to do long term. You might **avoid making decisions** because your gut feelings conflict with your practical goals. These days people tend to act on comfort and habit instead of moving toward what actually serves them.

LUNAR DAY

Moon in ♉ Taurus · Day 26 / 30 · Last Quarter

The pace slows considerably during this transit as comfort and familiar surroundings take priority over efficiency. Resistance to change hardens, and any disruption to routine tends to provoke stubborn pushback.
