## KEY TRANSIT FACTORS

### ♁ Lilith ♂ Conjunction ♁ natal Lilith

Right now you're more aware of where you've been bending yourself to fit in with others, and you feel less willing to do it. You're noticing situations where you've accepted less than you want, and **you're more likely to speak up or remove yourself instead of staying quiet**. Over the coming weeks, expect friction in relationships or settings where you've historically compromised on what matters to you.

### ♆ Neptune \* Sextile ♃ natal Jupiter

You're finding it easier to see the bigger picture in situations that usually feel confusing or overwhelming. Your **confidence in what's possible** is quietly growing, and people around you notice you're more relaxed about uncertainty. Over the coming weeks, this natural optimism can help you take practical steps toward goals you've been hesitant about.

### ☉ Sun ☐ Square ♃ natal Jupiter

These days you are **overestimating what you can accomplish** and taking on too much at once. You feel confident and expansive, but your actual capacity has not changed, so you end up stretched thin and frustrated when reality does not match your ambitions. The gap between your optimism and your real limitations creates practical problems at work or in your commitments that take weeks to sort out.

### ♆ Neptune ☐ Square ♇ natal Pluto

Right now you are questioning beliefs and rules you have followed for years, and this questioning feels unsettling rather than clarifying. You may find yourself **doubting your own judgment about what is real and what matters**, which makes it hard to commit to decisions or trust your instincts. Over the coming weeks, this confusion can push you to examine whether you have been living according to someone else's values instead of your own, though the process of sorting this out will feel uncomfortable and slow.

### ☿ Mercury ☐ Square ♆ natal Neptune

Right now your thinking feels scattered and you struggle to pin down what you actually mean when you try to explain yourself. You say things you don't quite believe, or you get halfway through a sentence and realize you've lost your point completely. These mixed signals in your communication create **misunderstandings with people who matter to you**, and it takes real effort to slow down and say things clearly instead of in the fuzzy way that feels natural to you at the moment.

### ☉ Sun ☐ Quincunx ♆ natal Neptune

These days you might notice a gap between what you're trying to accomplish and what actually feels right to you. Your practical plans can feel oddly disconnected from your gut feelings, leaving you **uncertain about which direction to trust**. This mismatch between doing and feeling tends to make decision-making slower and more confusing than usual.

› Moon △ Trine ♃ Mercury

Right now it feels easier to say what you actually mean without stumbling over your words or worrying what others will think. Your **thoughts match your feelings**, so conversations flow naturally and people understand you the first time. This is a good window for sorting through something confusing, making plans, or having an honest talk that you have been putting off.

♀ Venus □ Square ♂ Mars

Right now *Venus* and *Mars* are in conflict, and you'll notice people becoming **irritable about their relationships and desires**. You might want something badly but feel frustrated that you can't have it, or clash with someone over what you both actually want from each other. This friction lasts a few days and usually pushes conversations that needed to happen anyway—but expect them to feel sharp and uncomfortable while they do.

LUNAR DAY

Moon in ♊ Gemini · Day 22 / 30 · Waning Gibbous

**Social activity picks up** for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY
