KEY DATE

☿ Mercury stations Direct

Mercury stationing direct means **conversations and decisions that felt stuck** will start moving again, and you'll notice **clarity returning** to emails, plans, and talks that were confusing before. At work and in daily life, **miscommunications often resolve themselves** once this station passes, and people tend to follow through on things they'd postponed. Over the next few days, **information you've been waiting for** usually arrives, and you'll feel ready to **commit to choices** you'd been sitting on.

KEY TRANSIT FACTORS

♇ Pluto ∠ Semi sextile ♃ natal Jupiter ★

Over the coming weeks, you feel quietly **more willing to take practical steps toward your goals** without the usual second-guessing. *Pluto* is softly encouraging *Jupiter's* natural optimism, so small efforts you make tend to compound into real progress. This is a good time to act on plans you've been sitting with, because your confidence and follow-through are aligned right now.

♄ Chiron * Sextile ♀ natal Venus

Over the coming weeks, you find it easier to talk about what actually matters to you in relationships instead of staying quiet or pretending everything is fine. Your **honesty about your own needs** seems to land better with others right now, and people respond by opening up more too. This natural flow between what you feel and what you say creates real connection without the usual awkwardness or hurt feelings.

☉ Sun ☍ Opposition ☿ natal Mercury

Right now you're finding it hard to say what you mean, and people often misunderstand your point even when you explain carefully. Your thinking feels scattered and you keep losing your train of thought in conversations or at work. This friction between what you want to communicate and what actually comes out will push you to slow down and choose your words more deliberately over the coming weeks.

♁ NNode ∠ Semi sextile ☿ natal Mercury

Over the coming weeks, you find it easier to **say what you actually mean** without overthinking or second-guessing yourself. People respond better to your words because you're speaking more directly and with less self-doubt. This is a good time to have conversations you've been putting off or to pitch an idea you believe in.

☾ Moon * Sextile ♂ natal Mars

Right now you feel **more willing to act on what you want** instead of sitting with frustration. Your emotional state and your drive are actually pointing in the same direction, so small tasks feel less like pushing a boulder uphill. Over the coming weeks, you'll likely notice you're quicker to start conversations, make decisions, or tackle projects that have been sitting around.

☉ Sun △ Trine ☾ Moon

These days you find it easier to know what you actually want and to ask for it without overthinking. Your emotional reactions line up with your real goals, so you move forward without fighting yourself. This is a good time to make decisions or have conversations because you sound genuine and people respond well to that.

☉ Sun ☿ Conjunction ♃ Jupiter

Right now you feel more confident about your abilities and less worried about what could go wrong. You are **more willing to take on bigger challenges** and speak up in situations where you normally stay quiet. This period tends to bring real opportunities your way because you are actually showing up differently, not because of luck.

☉ Sun * Sextile ♅ Uranus

These days you feel more willing to try something different without the usual fear holding you back. You might suggest a new idea at work, change your routine, or say no to something that no longer fits. This **relaxed openness to change** makes it easier to break old patterns while still feeling grounded enough to actually follow through.
