## KEY TRANSIT FACTORS

### ☿ Mercury \* Sextile ♇ natal Pluto \*

Right now your mind is working at a level that lets you see through problems to what's actually driving them. You're able to ask better questions and listen more carefully to what people really mean, which makes conversations feel more honest and useful. This period is ideal for tackling complicated topics at work or sorting through decisions you've been sitting on, because your thinking is both clear and intuitive.

### ♄ Saturn △ Trine ☉ natal Sun

Right now you find it easier to **follow through on what matters to you**, and people notice the difference in your reliability. Your practical sense is sharp, so you can see which goals are actually worth your time and which ones to drop without guilt. Over these coming weeks, you're building real credibility because you do what you say you will do.

### ☾ Moon □ Square ♀ natal Venus

Right now you feel emotionally out of step with the people closest to you, making it hard to enjoy their company or feel appreciated by them. You may pick fights over small things or withdraw when you normally would reach out, leaving relationships feeling **strained and disconnected**. These days your mood swings can make you seem ungrateful or cold, even when that is not what you intend.

### ☿ Mercury △ Trine ☿ natal Mercury

Right now your thinking feels clearer and you organize your thoughts more easily than usual. You find yourself **explaining things well to others** and picking up on what people actually mean instead of misunderstanding them. These days conversations flow better and you solve practical problems faster because your mind is working smoothly.

### ♃ Jupiter □ Square ♆ natal Neptune

Right now you are **overestimating what you can achieve** and making promises you cannot keep. Your optimism is running ahead of reality, and you may find yourself committed to projects or goals that are actually beyond your practical reach. Over the coming weeks, disappointment will follow when you realize the gap between what you imagined and what is actually possible.

### ☉ Sun qx Quincunx ♆ Neptune

These days you might notice a gap between what you're trying to accomplish and what actually feels right to you. Your practical plans can feel oddly disconnected from your gut feelings, leaving you **uncertain about which direction to trust**. This mismatch between doing and feeling tends to make decision-making slower and more confusing than usual.

### ☉ Sun qx Quincunx ♇ Pluto

Right now you might feel **out of step with your own needs**, as if what you want and what's actually happening don't quite match up. You notice yourself making small adjustments to stay in control of a situation, only to realize those tweaks aren't really working. This mismatch between your intentions and real results can leave you feeling frustrated until you accept that some things need to shift more completely than you planned.

### ☉ Sun △ Trine ♁ Chiron

Right now you find it easier to **talk about what actually happened to you** without getting defensive or ashamed. Your practical ability to understand your own patterns improves, and you can explain your mistakes to others without needing to apologize repeatedly. This makes conversations feel clearer and less emotionally exhausting than usual.

## LUNAR DAY

Moon in ♊ Gemini · Day 22 / 30 · Waning Gibbous

**Social activity picks up** for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.
