KEY TRANSIT FACTORS

♃ Jupiter ∟ Semi sextile ♂ natal Uranus ★

Over the coming weeks, you feel **more willing to try new approaches** without abandoning what already works for you. Small opportunities for practical change show up in your routines, and you have the confidence to test them out. This is a good time to experiment with a new habit or way of doing something because the risk feels manageable and the potential payoff feels real.

♂ Mars ☌ Conjunction ☾ natal Moon

You're feeling **more direct and impatient with people right now**, especially if something upsets you emotionally. Your instinct is to react fast instead of sitting with feelings, and you may say things bluntly that you'd normally keep private. These days small irritations can trigger sudden anger, so it helps to notice when you're running hot before you speak.

♁ NNode * Sextile ☿ natal Mercury

Over the coming weeks, you find it easier to say what you actually think instead of holding back. Your conversations feel more natural and people seem to listen better when you speak. This period supports **clearer communication**, especially about topics that matter to you, as *the North Node* smooths the way for *Mercury* to work at its best.

♂ Mars △ Trine ♄ natal Saturn

Right now you're finding it easier to **follow through on difficult tasks without cutting corners**, because your impatience has natural brakes built in. You have the stamina to do slow, steady work that actually matters, and you don't feel frustrated by the time it takes. Over the coming weeks, people notice you as someone who delivers reliable results instead of making excuses.

☾ Moon □ Square ♀ natal Venus

Right now you feel emotionally out of step with the people closest to you, making it hard to enjoy their company or feel appreciated by them. You may pick fights over small things or withdraw when you normally would reach out, leaving relationships feeling **strained and disconnected**. These days your mood swings can make you seem ungrateful or cold, even when that is not what you intend.

☉ Sun ∟ Semi sextile ♀ natal Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun △ Trine ♂ natal Mars

Right now you feel **capable and ready to act** on things you've been thinking about. You have the psychological boost to start projects or push through obstacles without burning out or getting frustrated. This period makes practical effort feel natural instead of forced.

☉ Sun □ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.
