## KEY TRANSIT FACTORS

### ☿ Mercury △ Trine ♃ natal Jupiter

These days you find it easier to explain what you actually think, and people tend to listen without getting defensive. Your mind feels **naturally clear and generous**, so you're more likely to ask good questions and give others the benefit of the doubt when you talk. Over the coming weeks, conversations that normally feel strained or circular often just work out, which can smooth things at work or in your relationships.

### ☾ Moon ☍ Opposition ♂ natal Mars

Your **impatience with others** peaks right now, and you're more likely to snap at people over small things. You feel restless and irritable, especially in situations where you normally stay calm, because your emotional needs clash with your natural drive to act fast. These days the friction between wanting to slow down and wanting to push forward makes everyday interactions harder.

### ♇ Pluto ∟ Semi sextile ♄ natal Saturn

These days you find it easier to **follow through on commitments** without overthinking or second-guessing yourself. A practical focus comes naturally to you right now, and you notice you can break larger goals into manageable steps without getting bogged down. This period supports steady progress on anything you've been putting off, especially projects that require discipline and careful planning.

### ☿ Mercury qx Quincunx ♇ natal Pluto

Right now your mind is picking up on uncomfortable truths that you normally ignore, and you feel compelled to talk about them even though it makes conversations awkward. You may notice **your words come across more bluntly than usual**, especially about other people's behaviour or secrets, which can create friction in relationships. Over these coming weeks, you'll do better if you pause before speaking and ask yourself whether what you're about to say actually needs to be said right now.

### ♇ Pluto □ Square ☾ natal Moon

You feel unusually disconnected from people you're close to, as if you cannot quite let them comfort you the way you normally would. Your **emotional walls go up automatically**, and you may withdraw or push away support even when you need it. Over the coming weeks, this psychological distance can strain your relationships unless you notice what is happening and make an effort to stay connected despite the discomfort.

### ♄ Saturn Rx · ♌ Leo

Ambition and the structures supporting creative or public expression face an honest review during this period. Recognition that has been slow to arrive may be prompting important reassessment of your goals or methods. Internal validation serves you more right now than seeking external acknowledgment.

### ☉ Sun \* Sextile ♂ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

### ☉ Sun Δ Trine ♄ Saturn

These days you find it easier to follow through on what you say you will do, and people notice your **reliability**. Work feels less overwhelming because you can break tasks into realistic steps instead of getting stuck in your own way. The practical support is there if you use it — the Sun trine Saturn makes real effort pay off in real results.

### ☉ Sun \* Sextile ♇ Pluto

These days you find it easier to **spot what needs to change** in your life without feeling overwhelmed by it. The practical support between Sun and Pluto means you can see problems clearly and actually do something about them instead of avoiding them. This is a good window for tackling projects that require focus and honesty about what's really going on.

## LUNAR DAY

---

Moon in ♌ Leo · Day 10 / 30 · First Quarter

**The social atmosphere becomes more expressive** these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.

## CLOTHING & JEWELRY
