#### KEY TRANSIT FACTORS

##### ♅ Uranus ☾ Semi sextile ♃ natal Jupiter · peak 1 Dec ★

These days you're picking up on new possibilities that others around you haven't noticed yet, and your **natural optimism makes you willing to try them**. A small opportunity in work or learning might appear suddenly, and you'll have the confidence to act on it without overthinking the risks. Over the coming weeks, this forward momentum helps you feel less stuck in old routines and more curious about what comes next.

##### ♀ Venus ☾ Semi sextile ☿ natal Mercury · peak 14 Dec ★

Over the coming weeks, your conversations flow more easily and people respond well to what you say. You find yourself **speaking with more warmth and genuinely interested in what others think**, which makes them want to talk with you. This natural charm in how you communicate opens doors socially and professionally without you having to force anything.

##### ☿ Mercury ☾ Semi sextile ♀ natal Venus · peak 31 Dec ★

Over the coming weeks, you find it easier to say what you actually appreciate about people instead of keeping quiet. Your conversations flow more naturally when you're being genuine about what matters to you. This small shift in how you communicate makes your relationships feel a bit warmer and less guarded.

##### ♄ Saturn ☐ Square ♅ natal Uranus · peak 1 Dec

Right now you feel trapped between what you want to do and what you have to do, and the frustration builds quickly. You become **irritable when anyone or anything blocks your independence**, and you may act out impulsively just to prove you're in control. Over the coming weeks, real responsibilities will keep colliding with your need for freedom, forcing you to make hard choices about what actually matters.

##### ♃ Jupiter \* Sextile ♆ natal Neptune · peak 3 Dec

Over the coming weeks, you find it easier to **trust your intuition without overthinking**, and this quieter confidence actually helps you make better decisions in practical situations. Your imagination feels less chaotic right now, and you can use creative ideas to solve real problems at work or in your relationships instead of getting lost in them. This is a good window to act on something you've been imagining or planning, because your instincts and your common sense are actually working together.

##### ♄ Saturn ☐ Square ☿ natal Mercury · peak 17 Dec

Right now your thinking feels slower and more careful than usual, and you may struggle to express yourself clearly to others. **You second-guess your words** before speaking, worry that what you say will be misunderstood, and find it harder to explain ideas that felt obvious before. These mental delays and doubts will pass once this transit moves on, but while it lasts you'll need to accept that communication takes more effort and patience.

#### ♃ Jupiter \* Sextile ☉ natal Sun · peak 2 Dec

These days you feel more **confident in yourself** and people around you seem to notice it too. You're more willing to take on new projects or speak up in situations where you'd normally hold back, and things tend to work out better than expected. This period is ideal for asking for what you want—whether that's at work, in relationships, or for a personal goal—because you're coming across as genuinely assured rather than pushy.

#### ♄ Saturn \* Sextile ♃ natal Jupiter · peak 30 Dec

Right now you are more **willing to follow through on plans instead of abandoning them halfway**. The combination of *Saturn* and *Jupiter* means you can see the practical steps needed to make your bigger ambitions real, and you have the patience to stick with them. This is a good time to commit to something you have been thinking about for a while, because your confidence in the outcome is realistic rather than wishful.

#### ♃ Jupiter ☐ Square ♀ natal Venus · peak 30 Dec

Right now you are **overestimating what others feel about you**, which makes you push harder for approval or affection than is actually welcome. You may spend more money on gifts or experiences hoping to win someone over, or say too much too soon in a new relationship because you feel so confident about the connection. When the other person does not respond with the same enthusiasm, you feel rejected and confused about where things went wrong.

#### ♄ Saturn ∟ Semi sextile ♇ natal Pluto · peak 25 Dec

You're finding it easier right now to **follow through on difficult decisions** without second-guessing yourself. The practical support between *Saturn* and *Pluto* gives you the kind of quiet confidence that lets you stick with tough changes once you've committed to them. Over the coming weeks, you'll notice you're less likely to get pulled back into old patterns because you've actually built something solid to replace them.

#### ♅ Uranus \* Sextile ♂ natal Mars · peak 12 Dec

You're finding it easier to take action on ideas that normally feel too risky or unconventional, and this **experimental confidence** is working in your favour right now. Your usual drive to get things done pairs well with a sudden willingness to try new approaches, so you can actually complete projects you've been sitting on. Over the coming weeks, people notice you're more direct and inventive about solving problems instead of relying on the same old methods.

#### ♄ Saturn △ Trine ♀ natal Venus · peak 7 Dec

These days you're able to be **honest about what you actually want in relationships** without needing to please everyone or soften the truth. You find it easier to set practical boundaries with people and stick to them, because you're not second-guessing your own needs. This period gives you a real advantage in building connections that feel genuine instead of performative, so you can invest your emotional energy where it actually matters.

#### ♃ Jupiter \* Sextile ♁ natal Uranus · peak 27 Dec

You feel more **willing to try new approaches** to problems that have stalled, and practical opportunities show up that wouldn't have occurred to you before. Your natural caution loosens just enough to let you act on ideas you'd normally dismiss as too risky or unconventional. Over the coming weeks, this openness pays off in concrete ways—whether that's a new connection, a different way of working, or simply discovering that change is less frightening than you thought.

#### ♁ NNode qx Quincunx ♂ natal Mars · peak 1 Dec

Over the coming weeks, you'll notice your usual way of taking action feels slightly off, as if what normally works requires a small adjustment. You might hesitate before speaking up or pushing forward, then suddenly act without your usual preparation, creating an awkward rhythm. This is a good time to notice where you act on instinct versus where you benefit from pausing to check your direction first.

#### ♄ Chiron △ Trine ☉ natal Sun · peak 1 Dec

Over the coming weeks, you find it easier to **talk about your past struggles without shame**, and people respond by listening instead of judging. Your confidence in handling difficult conversations improves naturally, and you notice you can help others through their problems without getting stuck in them yourself. This period gives you a practical window to work through something that has bothered you for a while, and your clarity right now makes the work feel less heavy.

Whether in **romantic partnership, business collaboration, or important agreements**, this lunation plants seeds that will mature over the next six months. If you've been considering a serious conversation with a partner or are ready to formalize a collaboration, this is the most supportive moment to take that step.

**KEY DATES**

**Wed, 1 Dec** Full Moon in Gemini

♄ Saturn □ Square ♅ natal Uranus

♄ Chiron △ Trine ☉ natal Sun

♄ Chiron △ Trine ♃ natal Neptune

**Thu, 2 Dec** ♃ Jupiter \* Sextile ☉ natal Sun

**Fri, 3 Dec** ♃ Jupiter \* Sextile ♃ natal Neptune

**Fri, 10 Dec** ♂ Mars enters ♒ Aquarius

*Mars* in *Aquarius* pushes people to **act on ideas** rather than emotions, so you'll notice a shift toward logical problem-solving and less patience for traditional ways of doing things at work or in groups. In relationships and conversations, this transit brings **directness about independence** — people tend to state what they want without softening it, which can feel refreshing or blunt depending on who you're talking to. The pattern is that **group projects and teamwork** become more appealing than solo efforts, even though *Mars* here makes people more willing to disagree with the group if they think something's wrong.

**Sat, 11 Dec** ♃ Mercury enters ♑ Capricorn

*Mercury* entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

**Sun, 12 Dec** ♅ Uranus \* Sextile ♂ natal Mars

**Mon, 13 Dec** ♀ Venus enters ♑ Capricorn

*Venus* in *Capricorn* makes people **slower to commit** but more serious once they do—you notice yourself caring less about flashy romance and more about whether someone actually shows up. At work and in friendships, this transit brings **direct conversations** about what you actually want instead of hinting around, and people generally respect the honesty. Money matters get **practical attention** too, so you're more likely to check your budget, delay impulse buys, and think about long-term value rather than what feels good right now.

**Wed, 15 Dec** New Moon in Sagittarius

**Fri, 17 Dec** ♄ Saturn □ Square ♃ natal Mercury

**Mon, 20 Dec** ♅ Uranus \* Sextile ♂ natal Mars

**Wed, 22 Dec** ☉ Sun enters ♑ Capricorn

*The Sun* moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

**Sun, 26 Dec** ♃ Jupiter enters ✈ Sagittarius

*Jupiter* in *Sagittarius* tends to make people **more generous with time and money**, so you might find yourself saying yes to plans or spending more freely than usual. At work and in relationships, **honest conversation flows easier**, though some people notice they also speak without thinking first and accidentally offend others. The pattern is that **learning new skills or travel** becomes more appealing during this time, and people often take that course they've been putting off or book a trip they'd dismissed as unrealistic.
