KEY TRANSIT FACTORS

♆ Neptune * Sextile ☾ natal Moon · peak 29 Feb ★

Your **emotional intuition is sharper right now**, and you pick up on what people actually mean beneath their words. You find yourself more patient with others' feelings and less likely to react defensively when someone upsets you. Over the coming weeks, this softer approach tends to draw people closer to you and makes conversations feel safer for everyone involved.

♁ Lilith ♂ Conjunction ☿ natal Mercury · peak 6 Feb

These days you're more likely to say things you'd normally keep to yourself, especially opinions you've avoided expressing before. Your conversations tend toward uncomfortable truths or taboo subjects, and you may notice people react with surprise or defensiveness to your directness. This **blunt honesty** can clear the air or create friction depending on who you're talking to, but either way you're not interested in polite small talk while this lasts.

♁ Chiron ♂ Opposition ♂ natal Mars · peak 5 Feb

Right now you are more aware of how you push forward without checking if you are actually hurting yourself or others. **You second-guess your own aggression** and find it harder to act decisively because you are noticing the damage you might cause. Over the coming weeks, this self-doubt can make you feel stuck between wanting to move forward and worrying you will do it wrong.

♁ NNode ∟ Semi sextile ♂ natal Mars · peak 29 Feb

Over the coming weeks, you find yourself **more willing to take small risks and speak up for what you want**. People around you seem to respond better to your directness, and you notice you're not second-guessing yourself as much. This is a natural window where your practical confidence gets a gentle push forward, making it easier to pursue goals you've been putting off.

♁ Lilith ♂ Conjunction ♂ natal Uranus · peak 1 Feb

You're feeling a stronger urge to break away from rules or expectations that usually bind you, and you're more willing to act on that impulse without planning ahead. Your **need for independence suddenly feels urgent**, and you might say or do things that surprise people who know you as reliable. Over the coming weeks, situations that felt settled may shift quickly as you test new boundaries in your relationships or work.

♇ Pluto ∟ Semi sextile ♁ natal NNode · peak 1 Feb

Over the coming weeks, you find yourself **naturally drawn toward people and situations that feel genuinely right for you**, without needing to overthink the decision. Small obstacles that usually frustrate you seem easier to work around, and you notice you're less defensive when someone challenges your choices. This is a good time to say yes to invitations or opportunities that align with what you actually want, because your instincts are working quietly in your favor.

♃ Jupiter ♌ Semi sextile ♄ natal Chiron · peak 1 Feb

While this lasts, you feel more **willing to ask for help** with something that has bothered you for a while. *Jupiter* is gently opening a door that *Chiron* has kept closed, and you notice you're less defensive about admitting what hurts. Over the coming weeks, this small shift in attitude can lead to real conversations or actions that actually move you forward.

♅ Uranus ☐ Square ♄ natal Chiron · peak 1 Feb

Right now you are likely feeling **restless about old wounds** that you thought you had worked through. Your usual coping methods for psychological pain are not working the way they normally do, which can feel frustrating and unsettling. Over the coming weeks, you may need to experiment with entirely new approaches to your emotional recovery instead of relying on what has always felt safe.

♄ Saturn △ Trine ♄ natal Chiron · peak 29 Feb

Right now you are **more willing to sit with your own pain without needing to fix it immediately**, which lets you actually learn from past hurts instead of just moving past them. This practical acceptance means you can talk about difficult experiences with less defensiveness and help others do the same. Over the coming weeks, what once felt raw or tender becomes something you can work with directly.

♄ Chiron ☿ Quincunx ♃ natal Jupiter · peak 29 Feb

Over the coming weeks, you notice a mismatch between what you want to believe about yourself and what actually works in your life. You find yourself **questioning your usual confidence** or having to adjust your plans when reality doesn't match your expectations. This gap between your hopes and the practical results you're getting will likely push you to make small changes to how you approach problems.

♃ Lilith ♂ Conjunction ♂ natal Mars · peak 29 Feb

Right now you're more willing to act on what you actually want instead of what you think you should do, and this shows up as **pushing back against rules or expectations that don't fit you**. You might say no more often, stand your ground in conversations, or make choices that feel personally true even if they upset someone else. These days this directness can feel good and necessary, though others may find you harder to manage than usual.

♄ Chiron △ Trine ♃ natal Pluto · peak 29 Feb

Over the coming weeks, you find it easier to **talk honestly about difficult things** without getting defensive or shutting down. People respond well to your openness because you're not attacking or blaming them, just saying what actually happened and how it affected you. This period gives you a practical window to repair relationships or clear the air in conversations you've been avoiding.

♃ Pluto * Sextile ☉ natal Sun · peak 24 Feb

Over the coming weeks, you feel more **willing to take control of situations** that have felt stuck or out of your hands. Your sense of what you actually want becomes clearer, and you find yourself making decisions with less doubt than usual. This period supports real change in your life, especially when you stop waiting for permission and start acting on what matters to you.

♃ Pluto △ Trine ♄ natal Saturn · peak 1 Feb

You find it easier right now to stick with difficult tasks without losing confidence in yourself. **You work with steady focus** on what actually matters, turning big goals into concrete steps. This period supports you in building something real that lasts, whether at work or in how you organize your life.

♃ Pluto ♂ Conjunction ☾ natal Moon · peak 1 Feb

You're likely to feel more **withdrawn and private** than usual, wanting to process things alone rather than with others. Your emotional reactions may feel bigger or more extreme, as though small disappointments hit harder and smaller moments of comfort matter much more. Over the coming weeks, pay attention to what you're protecting—you may discover you need different boundaries or different people around you than you thought.

♃ Jupiter Rx · ♍ Virgo

The expansion of practical systems, health routines, and work habits slows during this period in ways that demand honest assessment. Growth that has been accumulating may need to be reviewed for sustainability. Quality over quantity in your work and health practices rewards you more right now.

KEY DATES

Sat, 1 Feb ♁ Lilith ♂ Conjunction ♂ natal Uranus

Tue, 4 Feb New Moon in Aquarius

Wed, 5 Feb ♁ Chiron ♂ Opposition ♂ natal Mars

Thu, 6 Feb ♁ Lilith ♂ Conjunction ♀ natal Mercury

Sun, 16 Feb ♀ Mercury enters ♋ Pisces

Mercury in Pisces makes your thinking **slower and less direct** — you'll notice yourself taking longer to find the right words, or changing your mind mid-conversation. In work and daily tasks, this transit rewards **intuition and pattern-spotting** over step-by-step logic, so you might solve problems by sensing what feels right rather than working through details. Relationships often improve because you're more **willing to listen without interrupting** and pick up on what people aren't saying aloud, though you may struggle to explain your own point clearly.

Mon, 17 Feb ♁ Chiron ♂ Opposition ♂ natal Mars

Tue, 18 Feb ♂ Mars enters ♒ Aquarius

Full Moon in Virgo

Mars in Aquarius pushes people to **act on ideas** rather than emotions, so you'll notice a shift toward logical problem-solving and less patience for traditional ways of doing things at work or in groups. In relationships and conversations, this transit brings **directness about independence** — people tend to state what they want without softening it, which can feel refreshing or blunt depending on who you're talking to. The pattern is that **group projects and teamwork** become more appealing than solo efforts, even though *Mars* here makes people more willing to disagree with the group if they think something's wrong.

Wed, 19 Feb ☉ Sun enters ♋ Pisces

♀ Venus enters ♒ Aquarius

The Sun moving into *Pisces* shifts attention toward **listening and flexibility** for the next month, making people naturally more **willing to adjust plans** instead of pushing forward rigidly. At work and in relationships, you'll notice others become **harder to pin down** — deadlines slip, people change their minds, and vague agreements replace firm commitments, which requires patience rather than frustration. *Pisces* season softens the usual drive to compete or win, so **collaboration and going with the flow** tend to work better than direct pressure during this time.

Tue, 25 Feb ♇ Pluto stations Retrograde

When *Pluto* stations retrograde, expect **delays or reversals** in situations involving power, money, or control — contracts may stall, workplace dynamics shift, or financial decisions get reconsidered. *Pluto* retrograde typically brings **hidden information to light**, so old problems resurface and you notice patterns you missed before, especially around who has influence over what. Over the next months, **internal work matters more than external action** — pushing hard on big changes usually backfires, but reviewing past choices and adjusting your approach actually works.
