KEY TRANSIT FACTORS

♁ NNode ∟ Semi sextile ☾ natal Moon · peak 29 Dec ★

While this lasts, you find it easier to **listen to what you actually need** instead of pushing through discomfort. People around you tend to respond well to you right now because you're more relaxed and genuine in conversations. Over the coming weeks, small emotional hurdles feel less like obstacles and more like things you can work through naturally.

♆ Neptune * Sextile ☾ natal Moon · peak 31 Dec ★

Your **emotional intuition is sharper right now**, and you pick up on what people actually mean beneath their words. You find yourself more patient with others' feelings and less likely to react defensively when someone upsets you. Over the coming weeks, this softer approach tends to draw people closer to you and makes conversations feel safer for everyone involved.

♁ NNode □ Square ♄ natal Saturn · peak 29 Dec

Right now you feel caught between wanting to try something new and a nagging fear that you will fail or waste time. You become **unusually self-critical about your abilities** and may avoid taking any real action because the stakes feel too high. Over the coming weeks this friction between caution and growth can actually force you to make a real choice instead of drifting, though the discomfort while you decide is genuine.

♁ NNode * Sextile ♁ natal NNode · peak 8 Dec

Over the coming weeks, you find it easier to **say yes to opportunities that align with what you actually want**, without overthinking or second-guessing yourself. People around you seem more willing to support your decisions, and doors open with less resistance than usual. This is a practical time to move forward on plans you've been considering, because your timing feels genuinely right.

♄ Saturn △ Trine ♄ natal Chiron · peak 9 Dec

Right now you are **more willing to sit with your own pain without needing to fix it immediately**, which lets you actually learn from past hurts instead of just moving past them. This practical acceptance means you can talk about difficult experiences with less defensiveness and help others do the same. Over the coming weeks, what once felt raw or tender becomes something you can work with directly.

♇ Pluto * Sextile ☉ natal Sun · peak 31 Dec

Over the coming weeks, you feel more **willing to take control of situations** that have felt stuck or out of your hands. Your sense of what you actually want becomes clearer, and you find yourself making decisions with less doubt than usual. This period supports real change in your life, especially when you stop waiting for permission and start acting on what matters to you.

♅ Pluto * Sextile ♃ natal Neptune · peak 31 Dec

While this lasts, you find it easier to **see through confusion and spot what's actually real** in situations that usually feel murky to you. Your intuition sharpens without becoming unreliable, so you can trust your gut feelings more than usual. This is a good time to make decisions about things you've been uncertain about, because you're cutting through the fog naturally.

♃ Jupiter ♂ Conjunction ♄ natal Chiron · peak 31 Dec

Over the coming weeks, you're likely to feel more **willing to talk about past hurts that usually stay private**. People around you may notice you're more open and less defensive when difficult topics come up. This period can actually help you move through some old emotional blocks because you're not fighting against them as hard as usual.

♄ Chiron * Sextile ♃ natal NNode · peak 31 Dec

Over the coming weeks, you find it easier to **talk about your actual experiences instead of pretending everything is fine**. People respond well to this honesty because you're not oversharing your wounds but simply being real about what you've learned. This openness builds better connections with others and helps you move forward without carrying old resentment.

♄ Chiron ♃ Quincunx ☉ natal Sun · peak 6 Dec

While this lasts, you notice a **gap between how you see yourself and what actually works in your life**. You might feel awkward or out of step, as though your usual confidence does not quite fit the situation you are in. Over the coming weeks, small adjustments in how you present yourself or approach tasks will reduce this friction.

♄ Chiron ♃ Quincunx ♃ natal Neptune · peak 6 Dec

Right now you are noticing gaps between what you believe about yourself and how you actually behave in stressful moments. You might find yourself **acting more defensively or withdrawn than you expect**, especially when someone questions your motives or judgment. These days the disconnect feels awkward rather than painful, but it is pushing you to pay closer attention to where your ideals do not match your real actions.

♅ Uranus ☐ Square ♄ natal Chiron · peak 1 Dec

Right now you are likely feeling **restless about old wounds** that you thought you had worked through. Your usual coping methods for psychological pain are not working the way they normally do, which can feel frustrating and unsettling. Over the coming weeks, you may need to experiment with entirely new approaches to your emotional recovery instead of relying on what has always felt safe.

♅ Pluto ∟ Semi sextile ♃ natal NNode · peak 1 Dec

Over the coming weeks, you find yourself **naturally drawn toward people and situations that feel genuinely right for you**, without needing to overthink the decision. Small obstacles that usually frustrate you seem easier to work around, and you notice you're less defensive when someone challenges your choices. This is a good time to say yes to invitations or opportunities that align with what you actually want, because your instincts are working quietly in your favor.

♃ Neptune * Sextile ♄ natal Saturn · peak 31 Dec

Right now you find it easier to **organize vague ideas into actual plans** without getting lost in details. Your practical side is working well with your imagination, so you can sketch out a direction and know roughly how to get there. Over the coming weeks, this steadiness means you can trust your instincts about which dreams are worth the effort.

♄ Chiron ♃ Quincunx ♄ natal Saturn · peak 31 Dec

Right now you are noticing where your usual approach to responsibility feels awkward or out of step with what is actually happening around you. You might find yourself second-guessing practical decisions you would normally make without hesitation, or feeling **slightly defensive when someone suggests a different way to handle something**. Over the coming weeks, this discomfort is temporary—it is pointing you toward small adjustments in how you manage your commitments rather than a sign that your basic approach is wrong.

♂ Mars Rx · ♋ Cancer

Aggression and frustration tend to be expressed passively or indirectly right now rather than directly. Domestic tensions that have been suppressed may surface during this period. Identifying what you actually want from a situation — before reacting — is more useful than it normally is.

LUNATIONS

○ Full Moon · Wednesday, 9 Dec

in ♊ Gemini

information peak, scattered focus, mental overload

in H12 — Inner Life & Solitude

Something hidden is surfacing. This full moon illuminates **the private, unconscious, and carefully concealed aspects of your life** — old emotional patterns, self-sabotaging habits, or matters you've kept from even yourself. This is one of the most psychologically significant lunations and often coincides with a release of something that has been draining you in private. What comes to light now, though it may be uncomfortable, ultimately creates space for genuine renewal.

● New Moon · Thursday, 24 Dec

in ♑ Capricorn

long-term goals, ambition, structural reset

in H7 — Partnerships

A significant new chapter in your one-on-one relationships is beginning. Whether in **romantic partnership, business collaboration, or important agreements**, this lunation plants seeds that will mature over the next six months. The people you meet or commit to now carry lasting significance. If you've been considering a serious conversation with a partner or are ready to formalize a collaboration, this is the most supportive moment to take that step.

KEY DATES

Tue, 1 Dec ☿ Mercury stations Direct

Mercury stationing direct means **conversations and decisions that felt stuck** will start moving again, and you'll notice **clarity returning** to emails, plans, and talks that were confusing before. At work and in daily life, **miscommunications often resolve themselves** once this station passes, and people tend to follow through on things they'd postponed. Over the next few days, **information you've been waiting for** usually arrives, and you'll feel ready to **commit to choices** you'd been sitting on.

Sun, 6 Dec ♄ Chiron stations Retrograde

Chiron stationing retrograde tends to bring **old wounds or insecurities back into focus**, making you notice patterns you thought you'd moved past—in relationships, work, or how you handle rejection. During this period, **progress on healing or learning slows down**, and you may find yourself revisiting past failures or setbacks rather than moving forward with new skills or confidence. In practical terms, this is a good time to **review what didn't work before** and adjust your approach, though expect frustration if you're trying to push ahead quickly.

Tue, 8 Dec ♃ NNnode * Sextile ♃ natal NNnode

Wed, 9 Dec ♀ Venus enters ♒ Aquarius

Full Moon in Gemini

♄ Saturn △ Trine ♄ natal Chiron

Venus in *Aquarius* makes people **less interested in traditional relationship rules** and more drawn to friends, group settings, or unconventional arrangements. In practice, you might notice yourself **valuing independence and honesty** over romantic gestures, or finding that casual friendships suddenly feel more appealing than intense one-on-one bonds. At work and in daily life, this transit brings a **cooler, more detached approach** to money and socialising—you'll likely spend less on impulsive buys and prefer people who let you do your own thing.

Sat, 12 Dec ☿ Mercury enters ♐ Sagittarius

Mercury in *Sagittarius* brings **direct, blunt communication** — people say what they think without much filtering, which can clear the air or create awkward moments depending on who's listening. At work and in conversations, you'll notice **big-picture talk** taking over, with less patience for small details or nitpicking, so getting agreements in writing becomes more important. *Sagittarius* also pushes curiosity and debate, so **arguments stay friendly** longer than usual, even when people disagree strongly.

Sun, 20 Dec ♃ NNnode □ Square ♄ natal Saturn

♅ Pluto * Sextile ☉ natal Sun

Tue, 22 Dec ☉ Sun enters ♑ Capricorn

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.
