♁ Lilith	in	♋ Cancer	12°09'40"	II

### KEY TRANSIT FACTORS

#### ♆ Neptune \* Sextile ☾ natal Moon · peak 28 Feb ★

Your **emotional intuition is sharper right now**, and you pick up on what people actually mean beneath their words. You find yourself more patient with others' feelings and less likely to react defensively when someone upsets you. Over the coming weeks, this softer approach tends to draw people closer to you and makes conversations feel safer for everyone involved.

#### ♁ NNode ∠ Semi sextile ☾ natal Moon · peak 1 Feb ★

While this lasts, you find it easier to **listen to what you actually need** instead of pushing through discomfort. People around you tend to respond well to you right now because you're more relaxed and genuine in conversations. Over the coming weeks, small emotional hurdles feel less like obstacles and more like things you can work through naturally.

#### ♆ Neptune ♂ Conjunction ☉ natal Sun · peak 28 Feb ★

You are less certain about who you are right now, and that shows in how you present yourself to others. Your usual sense of direction feels fuzzy, and you might find yourself **blending in with whatever group you're around rather than standing out**. Over the coming weeks, people may see you as more flexible or dreamy than usual, and you may struggle to remember what you actually want separate from what others want.

#### ♄ Saturn ∠ Semi sextile ♄ natal Saturn · peak 6 Feb

You find it easier to stick with practical commitments right now without feeling weighed down by them. **Your natural discipline** shows up when you need it most, whether that's finishing a project or keeping promises to yourself. Over the coming weeks, small progress on something you've been putting off will feel surprisingly manageable.

#### ♅ Uranus \* Sextile ♄ natal Saturn · peak 21 Feb

You find it easier to **make practical changes without feeling destabilized** right now, as if your usual caution pairs well with wanting something different. Your instinct to plan actually helps you experiment—you can try new approaches at work or in your routines without abandoning what actually works. These days you're less afraid of disrupting your own systems because you trust you can rebuild them quickly if needed.

#### ♄ Saturn □ Square ☾ natal Moon · peak 6 Feb

Right now your emotional needs feel blocked or neglected, and you're likely being harder on yourself about what you want or feel. **You withdraw** from people instead of asking for what you need, then feel resentful or alone. Over the coming weeks, you'll have a chance to sort out which of your feelings actually matter to you and which ones you've just been carrying around without question.

### ♄ Saturn △ Trine ♁ natal NNode · peak 15 Feb

Over the coming weeks, you find it easier to **follow through on decisions that matter to you** without second-guessing or getting distracted. *Saturn* trine your *North Node* gives you a practical calm that lets you build on what you've already started, one step at a time. People around you notice you're more reliable right now, and that steadiness actually opens doors instead of closing them.

### ♅ Uranus \* Sextile ♀ natal Moon · peak 21 Feb

These days you feel more willing to break your own routines and try things that normally make you uncomfortable, which often leads to pleasant surprises. You might suddenly want to rearrange your living space, change your sleep schedule, or suggest a spontaneous trip to someone close to you without overthinking it. This period brings an **openness to doing things differently** in your personal life, and people around you likely notice you seem lighter and more flexible than usual.

### ♃ Jupiter ♂ Conjunction ♆ natal Chiron · peak 15 Feb

Over the coming weeks, you're likely to feel more **willing to talk about past hurts that usually stay private**. People around you may notice you're more open and less defensive when difficult topics come up. This period can actually help you move through some old emotional blocks because you're not fighting against them as hard as usual.

### ♆ Chiron ♁ Quincunx ♄ natal Saturn · peak 7 Feb

Right now you are noticing where your usual approach to responsibility feels awkward or out of step with what is actually happening around you. You might find yourself second-guessing practical decisions you would normally make without hesitation, or feeling **slightly defensive when someone suggests a different way to handle something**. Over the coming weeks, this discomfort is temporary—it is pointing you toward small adjustments in how you manage your commitments rather than a sign that your basic approach is wrong.

### ♆ Chiron □ Square ♀ natal Moon · peak 8 Feb

Right now you're more aware of emotional wounds you usually ignore, and that awareness feels uncomfortable rather than helpful. You might find yourself **withdrawing from people or snapping at them unexpectedly** because your usual emotional coping methods aren't working. Over the coming weeks, this friction is pushing you to look at how you actually handle upset instead of just moving past it.

### ♇ Pluto \* Sextile ♃ natal Neptune · peak 1 Feb

While this lasts, you find it easier to **see through confusion and spot what's actually real** in situations that usually feel murky to you. Your intuition sharpens without becoming unreliable, so you can trust your gut feelings more than usual. This is a good time to make decisions about things you've been uncertain about, because you're cutting through the fog naturally.

### ♃ Neptune \* Sextile ♄ natal Saturn · peak 28 Feb

Right now you find it easier to **organize vague ideas into actual plans** without getting lost in details. Your practical side is working well with your imagination, so you can sketch out a direction and know roughly how to get there. Over the coming weeks, this steadiness means you can trust your instincts about which dreams are worth the effort.

### ♇ Pluto \* Sextile ☉ natal Sun · peak 1 Feb

Over the coming weeks, you feel more **willing to take control of situations** that have felt stuck or out of your hands. Your sense of what you actually want becomes clearer, and you find yourself making decisions with less doubt than usual. This period supports real change in your life, especially when you stop waiting for permission and start acting on what matters to you.

### ♆ Chiron \* Sextile ♁ natal NNode · peak 1 Feb

Over the coming weeks, you find it easier to **talk about your actual experiences instead of pretending everything is fine**. People respond well to this honesty because you're not oversharing your wounds but simply being real about what you've learned. This openness builds better connections with others and helps you move forward without carrying old resentment.

### ♂ Mars Rx · ♋ Cancer

Aggression and frustration tend to be expressed passively or indirectly right now rather than directly. Domestic tensions that have been suppressed may surface during this period. Identifying what you actually want from a situation — before reacting — is more useful than it normally is.

### ♃ Jupiter Rx · ♎ Libra

The growth of partnerships and social connections pauses for internal review during this period. Beliefs about fairness, collaboration, and what constitutes a good agreement are being quietly re-examined. Clarifying what you genuinely want from close relationships matters more right now than what seems reasonable on the surface.

\* = natal resonance — this transit echoes your birth chart, amplifying its influence

## PROGRESSED MOON

○ Progressed Moon in ♎ Libra 11.6° H5

○ Progressed Moon □ Square ♆ natal Lilith

## LUNATIONS

---

○ Full Moon · Saturday, 6 Feb

in ♌ Leo

recognition, drama, creative culmination

in H3 — Communication & Learning

A conversation, agreement, or learning process is reaching its culmination. Something that has been said or left unsaid is **demanding honest attention now**. The full moon illuminates your immediate environment — siblings, neighbors, short journeys, messages, and everyday exchanges. A truth that's been circling may finally land clearly. This is a moment to **complete a piece of writing, resolve a local dispute, or have the direct conversation** you've been avoiding.

● New Moon · Monday, 22 Feb

in ♋ Pisces

intuitive reset, release, spiritual renewal

in H10 — Career & Reputation

A major new chapter in your professional life and public reputation is beginning. This lunation plants seeds around **career direction, achievements, and how you're perceived by the world**. Goals you set now and steps you take toward your ambitions have greater traction than usual. If you've been waiting for the right moment to make a career move, pursue recognition, or clarify your professional direction, this lunation gives it meaningful momentum.

## KEY DATES

---

**Mon, 1 Feb** ♅ Pluto \* Sextile ♃ natal Neptune

♅ Pluto \* Sextile ☉ natal Sun

♄ Chiron \* Sextile ♃ natal NNode

**Wed, 3 Feb** ♀ Venus enters ♈ Aries

*Venus* in *Aries* tends to make people more **direct about what they want**, especially in relationships and social situations where they'd normally hold back. You might notice yourself **speaking up sooner** instead of waiting or overthinking, and others responding to that straightforward approach. At work and in friendships, this transit often brings **faster decisions** and less time spent on small talk or people-pleasing.

**Sat, 6 Feb** Full Moon in Leo

♄ Saturn ☐ Square ☾ natal Moon

**Sun, 7 Feb** ♃ Jupiter ☌ Conjunction ♄ natal Chiron

**Mon, 8 Feb** ☿ Mercury enters ♋ Pisces

♄ Chiron ☐ Square ☾ natal Moon

♅ Pluto \* Sextile ♃ natal Neptune

*Mercury* in *Pisces* makes your thinking **slower and less direct** — you'll notice yourself taking longer to find the right words, or changing your mind mid-conversation. In work and daily tasks, this transit rewards **intuition and pattern-spotting** over step-by-step logic, so you might solve problems by sensing what feels right rather than working through details. Relationships often improve because you're more **willing to listen without interrupting** and pick up on what people aren't saying aloud, though you may struggle to explain your own point clearly.

**Sun, 14 Feb** ♅ Uranus \* Sextile ☾ natal Moon

**Mon, 15 Feb** ♂ Mars stations Direct

♄ Saturn △ Trine ♃ natal NNode

♃ Jupiter ☌ Conjunction ♄ natal Chiron

♄ Chiron ☐ Square ☾ natal Moon

*Mars* stationing direct means **energy and drive return** after weeks of stalling, so projects you've been stuck on suddenly feel **pushable forward** again. The pattern is clearer now — you notice what actually works versus what was just spinning wheels, and **decisions become easier** because the confusion lifts. In practice, this is when people stop second-guessing themselves about what they want, start **acting on plans** they've been holding, and arguments that felt circular finally move toward resolution or a clean break.

**Fri, 19 Feb** ☉ Sun enters ♋ Pisces

*The Sun* moving into *Pisces* shifts attention toward **listening and flexibility** for the next month, making people naturally more **willing to adjust plans** instead of pushing forward rigidly. At work and in relationships, you'll notice others become **harder to pin down** — deadlines slip, people change their minds, and vague agreements replace firm commitments, which requires patience rather than frustration. *Pisces* season softens the usual drive to compete or win, so **collaboration and going with the flow** tend to work better than direct pressure during this time.

**Sun, 21 Feb** ♅ Uranus \* Sextile ♄ natal Saturn

♅ Uranus \* Sextile ☾ natal Moon

♆ Neptune ✳ Sextile ♀ natal Moon

### Mon, 22 Feb New Moon in Pisces

♄ Saturn △ Trine ♁ natal NNode

### Sat, 27 Feb ♇ Pluto stations Retrograde

When *Pluto* stations retrograde, expect **delays or reversals** in situations involving power, money, or control — contracts may stall, workplace dynamics shift, or financial decisions get reconsidered. *Pluto* retrograde typically brings **hidden information to light**, so old problems resurface and you notice patterns you missed before, especially around who has influence over what. Over the next months, **internal work matters more than external action** — pushing hard on big changes usually backfires, but reviewing past choices and adjusting your approach actually works.

### Sun, 28 Feb ♿ Mercury stations Retrograde

♆ Neptune ✳ Sextile ♀ natal Moon

♆ Neptune ✳ Sextile ♄ natal Saturn

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.
