♁ Lilith	in	♋ Cancer	12°09'40"	II

### KEY TRANSIT FACTORS

#### ♅ Uranus ∟ Semi sextile ♀ natal Venus · peak 1 Feb ★

You're noticing small but real shifts in how you present yourself socially these days. You feel a bit more willing to try a different style, say something unexpected, or connect with people outside your usual circle. This **gentle openness to change** in your relationships and self-expression comes without pressure, so you can experiment and see what actually fits.

#### ♃ Jupiter ★ Sextile ♀ natal Venus · peak 1 Feb ★

These days you find it easier to say yes to social invitations and connect with people who matter to you. You feel **naturally generous** with your time and attention, which makes others want to be around you more. This period is ideal for deepening friendships, starting new relationships, or simply enjoying the company you keep without forcing anything.

#### ♆ Neptune ∟ Semi sextile ♁ natal Uranus · peak 9 Feb

Your **imagination becomes practical** during this period, and ideas that normally stay stuck in your head suddenly feel doable. You find yourself sketching out plans for changes you want to make, whether that's rearranging your space or trying something new at work. This is a good window to turn those creative thoughts into actual steps forward, because right now your daydreams have real traction.

#### ♆ Neptune ♂ Conjunction ♀ natal Venus · peak 26 Feb

Right now you are **less clear about what you actually want from relationships and attraction**, because *Neptune* is softening the boundaries around your *Venus*. You might find yourself drawn to people or situations that don't match your real values, or you overlook red flags because everything feels romantic and possible. Over the coming weeks, check your choices against what you knew about yourself before this transit started.

#### ♃ Jupiter △ Trine ♃ natal Jupiter · peak 2 Feb

While this lasts, you feel naturally **confident in your own judgment**, and opportunities tend to show up without you forcing them. People respond well to you right now because you're genuinely relaxed about where things are headed. Over the coming weeks, trust your instincts about what's worth your time—your sense of what matters is especially clear.

#### ♅ Uranus △ Trine ♇ natal Pluto · peak 14 Feb

You find yourself **taking practical action on changes you've wanted to make** without getting stuck in overthinking or self-doubt. This period brings a natural confidence that old patterns no longer serve you, so you move forward with less resistance than usual. Over the coming weeks, you're more likely to follow through on those shifts you've been planning instead of just talking about them.

#### ♅ Uranus □ Square ♃ natal Jupiter · peak 23 Feb

Right now you are restless with your current plans and want to scrap them for something completely different, even when things are working reasonably well. You feel **impatient with limits** and may make sudden decisions about money, education, or travel that you have not fully thought through. Over the coming weeks, impulsive moves could create real practical problems that take time to fix.

### ♅ Uranus \* Sextile ♃ natal Mercury · peak 1 Feb

Right now your mind is unusually **quick to spot patterns and make unexpected connections** between ideas that normally seem separate. You find yourself asking better questions in conversations and coming up with solutions that feel genuinely original rather than recycled. Over the coming weeks, this clarity gives you real confidence to speak up in meetings or try explaining something you've been hesitant to tackle before.

### ♃ Jupiter □ Square ♂ natal Mars · peak 23 Feb

Right now you are more likely to **overcommit and overestimate what you can actually do**, which leaves you frustrated when reality doesn't match your ambition. Your impatience is higher than usual, so small delays or obstacles feel like major blocks, and you may snap at people or push harder than makes sense. Over the coming weeks, learning to slow down and check your assumptions before acting will help you avoid wasting energy on projects that won't actually work out.

### ♃ Jupiter ♁ Quincunx ♇ natal Pluto · peak 1 Feb

Over the coming weeks, you may feel **restless with situations you thought were settled**, wanting to change things that previously felt stable or important to you. Your confidence in what you control grows, but it doesn't match up neatly with what's actually possible right now, leaving you frustrated. These misalignments between what you want to reorganize and what the real world allows are the main friction you'll notice while *Jupiter* stays at odds with your *Pluto*.

### ♄ Chiron ∟ Semi sextile ♂ natal Mars · peak 29 Feb

These days you're finding it easier to **speak up about what you actually need** instead of pushing through on your own. You're noticing that asking for help or setting a boundary doesn't drain you the way it used to. This quieter confidence is showing up in conversations at work and in your relationships, making things feel less exhausting overall.

### ♄ Saturn □ Square ♅ natal Uranus · peak 7 Feb

Right now you feel trapped between what you want to do and what you have to do, and the frustration builds quickly. You become **irritable when anyone or anything blocks your independence**, and you may act out impulsively just to prove you're in control. Over the coming weeks, real responsibilities will keep colliding with your need for freedom, forcing you to make hard choices about what actually matters.

### ♆ Neptune ∟ Semi sextile ♃ natal Mercury · peak 29 Feb

Right now your thinking becomes **more flexible and open to new ideas**, and you find yourself noticing details you usually miss in conversations and written information. Your mind feels more creative when problem-solving, and you're less likely to dismiss unusual suggestions out of hand. Over the coming weeks, this softer mental state helps you communicate in a gentler way and pick up on what people really mean underneath their words.

### ♄ Chiron \* Sextile ♃ natal Jupiter · peak 1 Feb

You find it easier right now to talk about past disappointments without getting stuck in them. Your natural ability to look forward and find the practical lesson in what went wrong is stronger than usual. Over the coming weeks, this becomes a genuine resource—you can help others see their setbacks as useful information rather than permanent failures.

### ♃ Jupiter □ Square ♃ natal Mercury · peak 1 Feb

Your mind is working faster than your mouth right now, and people find you hard to follow. You jump between ideas, interrupt conversations, and make promises you cannot keep because you are overestimating what you can handle. The gap between what you think you can do and what is actually realistic will create real problems at work or in your relationships over the coming weeks.

### ♂ Mars Rx · ♍ Virgo

Critical energy turns inward during this period, and self-criticism tends to be more active than productive action. Health, daily routines, and work habits come under scrutiny in ways that may feel more burdensome than useful. Small consistent efforts now build toward genuine improvement more reliably than sweeping overhauls.

\* = natal resonance — this transit echoes your birth chart, amplifying its influence

## PROGRESSED MOON

---

- Progressed Moon in ♊ Gemini 22.0° H1
- Progressed Moon △ Trine ♇ natal NNode

## LUNATIONS

---

○ Full Moon · Tuesday, 7 Feb

in ♌ Leo

recognition, drama, creative culmination

#### in H4 — Home & Family

Your home life and emotional foundations are under full illumination. A situation within the family or domestic sphere is reaching a point where **something must be acknowledged, resolved, or released**. Old patterns around belonging, security, or private matters surface with unusual clarity. This full moon often coincides with a change of residence, a family conversation that's been overdue, or a significant shift in how you feel about where you belong.

● New Moon · Wednesday, 22 Feb

in ♋ Pisces

intuitive reset, release, spiritual renewal

#### in H10 — Career & Reputation

A major new chapter in your professional life and public reputation is beginning. This lunation plants seeds around **career direction, achievements, and how you're perceived by the world**. Goals you set now and steps you take toward your ambitions have greater traction than usual. If you've been waiting for the right moment to make a career move, pursue recognition, or clarify your professional direction, this lunation gives it meaningful momentum.

#### KEY DATES

**Wed, 1 Feb** ☿ Uranus ✳ Sextile ☿ natal Mercury

♄ Chiron ✳ Sextile ♃ natal Jupiter

♃ Jupiter ☐ Square ☿ natal Mercury

**Thu, 2 Feb** ♃ Jupiter △ Trine ♃ natal Jupiter

**Sat, 4 Feb** ♆ Neptune enters ♋ Pisces

*Neptune* in *Pisces* softens people's edges and makes them **more willing to help others**, even when it costs them time or money. At work and in relationships, you'll notice folks getting **hazier about boundaries** — what felt clear before now feels negotiable, which can lead to confusion about who owes what to whom. The pattern this creates is **easier compassion but harder follow-through**, so practical plans often shift as people prioritize feeling better over sticking to what they said they'd do.

**Tue, 7 Feb** Full Moon in Leo

♄ Saturn ☐ Square ☿ natal Uranus

**Wed, 8 Feb** ♀ Venus enters ♈ Aries

♄ Saturn stations Retrograde

*Venus* in *Aries* tends to make people more **direct about what they want**, especially in relationships and social situations where they'd normally hold back. You might notice yourself **speaking up sooner** instead of waiting or overthinking, and others responding to that straightforward approach. At work and in friendships, this transit often brings **faster decisions** and less time spent on small talk or people-pleasing.

**Tue, 14 Feb** ☿ Mercury enters ♋ Pisces

☿ Uranus △ Trine ♇ natal Pluto

*Mercury* in *Pisces* makes your thinking **slower and less direct** — you'll notice yourself taking longer to find the right words, or changing your mind mid-conversation. In work and daily tasks, this transit rewards **intuition and pattern-spotting** over step-by-step logic, so you might solve problems by sensing what feels right rather than working through details. Relationships often improve because you're more **willing to listen without interrupting** and pick up on what people aren't saying aloud, though you may struggle to explain your own point clearly.

**Sun, 19 Feb** ☉ Sun enters ♋ Pisces

♆ Neptune ☌ Conjunction ♀ natal Venus

*The Sun* moving into *Pisces* shifts attention toward **listening and flexibility** for the next month, making people naturally more **willing to adjust plans** instead of pushing forward rigidly. At work and in relationships, you'll notice others become **harder to pin down** — deadlines slip, people change their minds, and vague agreements replace firm commitments, which requires patience rather than frustration. *Pisces* season softens the usual drive to compete or win, so **collaboration and going with the flow** tend to work better than direct pressure during this time.

**Mon, 20 Feb** ♄ Saturn ☐ Square ☿ natal Uranus

**Wed, 22 Feb** New Moon in Pisces

**Thu, 23 Feb** ☿ Uranus ☐ Square ♃ natal Jupiter

♃ Jupiter ☐ Square ♂ natal Mars

**Sun, 26 Feb** ♆ Neptune ☌ Conjunction ♀ natal Venus
