## KEY TRANSIT FACTORS

### ♁ NNode ☿ Quincunx ♄ natal Saturn · peak 1 Dec ★

Right now you are noticing a mismatch between what you feel you should do and what actually works in your life, which makes **decision-making feel awkward and slow**. You might find yourself second-guessing practical choices or feeling like the obvious path forward has a hidden complication you cannot quite name. Over the coming weeks, the best approach is to sit with this discomfort rather than push through it—your instincts are picking up on something real that needs attention.

### ♀ Venus ♀ Semi sextile ☿ natal Mercury · peak 26 Dec ★

Over the coming weeks, your conversations flow more easily and people respond well to what you say. You find yourself **speaking with more warmth and genuinely interested in what others think**, which makes them want to talk with you. This natural charm in how you communicate opens doors socially and professionally without you having to force anything.

### ♄ Saturn \* Sextile ♀ natal Venus · peak 27 Dec

Right now you're able to be **more honest about what you actually want from your relationships**, without getting defensive or apologetic about your needs. People respond well to this straightforward approach because you're not dramatizing anything—you're just saying things clearly. Over the coming weeks, this *Saturn* influence steadies your *Venus*, so conversations about commitment or boundaries feel less risky and more like normal adult talk.

### ♁ Lilith ♂ Conjunction ♃ natal Jupiter · peak 4 Dec

You feel less interested in following rules right now, and you're more willing to say no to people who usually get their way with you. This can feel like freedom, but it also means you might overcommit to things that sound exciting or skip important practical steps because you're **chasing novelty and pushing boundaries**. Over the coming weeks, watch whether you're making real choices or just rebelling for the sake of it.

### ♅ Uranus ☐ Square ☉ natal Sun · peak 1 Dec

Right now you feel restless with routines and rules that normally keep you stable, and you may act on impulses that surprise people who know you well. **You push back against limits** in ways that feel necessary to you but create real friction in your work or relationships. Over the coming weeks this sense of needing to break free will likely intensify before it settles, so expect some temporary disruption as you figure out what actually needs to change.

### ♃ Jupiter ♀ Semi sextile ♄ natal Chiron · peak 16 Dec

While this lasts, you feel more **willing to ask for help** with something that has bothered you for a while. *Jupiter* is gently opening a door that *Chiron* has kept closed, and you notice you're less defensive about admitting what hurts. Over the coming weeks, this small shift in attitude can lead to real conversations or actions that actually move you forward.

### ♄ Saturn ∟ Semi sextile ♅ natal Uranus · peak 21 Dec

These days you find it easier to act on your unconventional ideas without feeling rushed or reckless about them. Your **natural caution helps you test new approaches before committing fully**, which means your experiments with different ways of doing things actually stick around. Over the coming weeks, this steadier pace lets you build something real from the innovations you've been wanting to try.

### ♅ Uranus □ Square ♆ natal Neptune · peak 1 Dec

Right now you're caught between wanting to break free from something and feeling unsure what you actually want instead, which makes your decisions feel scattered and impulsive. You may **act on sudden urges to change your routines or relationships without thinking through the practical consequences**, then feel confused or regretful days later. Over the coming weeks, the best move is to slow down before making big changes and write down what you're really trying to escape from, because the clarity you need isn't here yet.

### ♄ Chiron \* Sextile ☉ natal Sun · peak 31 Dec

Right now you are more willing to **talk honestly about your mistakes and learn from them** without getting defensive or ashamed. This period gives you the practical ability to see where you have struggled and turn that into useful knowledge about yourself. Over the coming weeks, people around you will notice you handle feedback better and recover faster from setbacks.

### ♄ Saturn ∟ Semi sextile ♿ natal Mercury · peak 31 Dec

Your thinking becomes more **organized and deliberate** right now, which makes it easier to plan projects and break down complicated tasks into manageable steps. You find yourself naturally wanting to double-check your work and verify details before moving forward, and this careful approach pays off in fewer mistakes. This steadier mental discipline helps you communicate with more precision, so people understand exactly what you mean without confusion.

### ♄ Chiron \* Sextile ♆ natal Neptune · peak 31 Dec

Over the coming weeks, you find it easier to **talk about your feelings without overdoing the drama**. Your natural compassion stays intact, but you're less likely to get lost in someone else's problems or your own fantasies about what they need. This is a good time to offer real support to people around you because you can actually listen instead of just projecting your own hopes onto their situation.

### ♄ Saturn ∟ Semi sextile ♇ natal Pluto · peak 31 Dec

You're finding it easier right now to **follow through on difficult decisions** without second-guessing yourself. The practical support between *Saturn* and *Pluto* gives you the kind of quiet confidence that lets you stick with tough changes once you've committed to them. Over the coming weeks, you'll notice you're less likely to get pulled back into old patterns because you've actually built something solid to replace them.

### ♄ Saturn ♂ Conjunction ♃ natal Jupiter · peak 31 Dec

You're feeling more cautious about plans you were excited about recently, and you're questioning whether they're actually realistic. Your usual confidence is being tempered by a practical voice that asks harder questions about timelines, costs, and what could go wrong. **You become more realistic about what you can actually deliver**, which might slow you down but also stops you from overcommitting.

### ♇ Pluto \* Sextile ☾ natal Moon · peak 31 Dec

You find it easier right now to talk about what you actually feel instead of keeping things hidden. Your **emotional honesty** comes across as natural and calm, so people listen and respond well. Over the coming weeks, this means conversations with family or close friends become more real and less guarded.

### ♇ Pluto \* Sextile ♄ natal Saturn · peak 31 Dec

You find it easier right now to **follow through on difficult commitments** without burning out or second-guessing yourself. The combination of *Pluto* and *Saturn* gives you practical resolve rather than harsh self-criticism, so you can push toward your goals without feeling punished for it. Over the coming weeks, you may notice you're getting real results from work you started months ago, and that feels genuinely good.

## LUNATIONS

---

○ Full Moon · Sunday, 3 Dec

### in ♊ Gemini

information peak, scattered focus, mental overload

### in H12 — Inner Life & Solitude

Something hidden is surfacing. This full moon illuminates **the private, unconscious, and carefully concealed aspects of your life** — old emotional patterns, self-sabotaging habits, or matters you've kept from even yourself. This is one of the most psychologically significant lunations and often coincides with a release of something that has been draining you in private. What comes to light now, though it may be uncomfortable, ultimately creates space for genuine renewal.

● New Moon · Monday, 18 Dec

in ✈ **Sagittarius**

new beliefs, expansion, broader horizons

in H7 — **Partnerships**

A significant new chapter in your one-on-one relationships is beginning. Whether in **romantic partnership, business collaboration, or important agreements**, this lunation plants seeds that will mature over the next six months. The people you meet or commit to now carry lasting significance. If you've been considering a serious conversation with a partner or are ready to formalize a collaboration, this is the most supportive moment to take that step.

**KEY DATES**

**Fri, 1 Dec** ♀ Venus enters ✈ Sagittarius

♁ Uranus ☐ Square ☉ natal Sun

♁ Uranus ☐ Square ♃ natal Neptune

*Venus* in *Sagittarius* brings a **looser, more generous** approach to spending and dating, with people tending to say yes to invitations and expensive outings rather than staying home. In relationships and work, this transit makes **honesty and directness** feel more important than keeping the peace, so conversations become blunter and less filtered. Most people notice they **want variety** — sticking with the same restaurant, routine, or person feels boring — and they're more willing to try something unfamiliar or travel to a new place.

**Sun, 3 Dec** ☿ Mercury stations Retrograde

Full Moon in Gemini

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.

**Mon, 4 Dec** ♀ Lilith ☌ Conjunction ♃ natal Jupiter

**Tue, 5 Dec** ♄ Chiron stations Direct

*Chiron* stationing direct means the **healing or learning process** you've been stuck on for months finally **moves forward again**, and you'll notice progress in whatever area felt frozen or repetitive. In practice, **clarity returns** about what actually helps—whether that's a health choice, a skill you're rebuilding, or how to handle a recurring problem—because you can see the full pattern now instead of going in circles. *Chiron* direct also lets you **stop second-guessing** what you've already figured out and start acting on those realizations, even if the fix isn't perfect.

**Sat, 9 Dec** ♂ Mars enters ♏ Scorpio

*Mars* in *Scorpio* brings **sharper focus and longer attention span** — people tend to stick with difficult projects instead of jumping between tasks. In relationships and work, you'll notice more **direct confrontation** of problems that were ignored before, which can clear the air but also creates tension if handled carelessly. *Mars* here makes people **dig deeper** into whatever they're doing, whether that's research, fitness routines, or figuring out why something isn't working.

**Mon, 11 Dec** ♁ Uranus ☐ Square ☉ natal Sun

♀ Lilith ☌ Conjunction ♃ natal Jupiter

**Mon, 18 Dec** New Moon in Sagittarius

**Wed, 20 Dec** ♄ Saturn enters ♐ Capricorn

*Saturn* in *Capricorn* makes people **focus harder on results** — deadlines feel real, shortcuts stop working, and the gap between effort and reward narrows. At work and at home, **structure matters more**, so routines that felt optional suddenly feel necessary, and people who've been avoiding tough conversations or decisions find themselves forced to deal with them. Over time, this transit rewards **steady progress** and builds lasting foundations, but it cuts through excuses, so anyone drifting or avoiding responsibility notices consequences more quickly than usual.

**Fri, 22 Dec** ☉ Sun enters ♐ Capricorn

*The Sun* moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

**Sat, 23 Dec** ☿ Mercury stations Direct

*Mercury* stationing direct means **conversations and decisions that felt stuck** will start moving again, and you'll notice **clarity returning** to emails, plans, and talks that were confusing before. At work and in daily life, **miscommunications often resolve themselves** once this station passes, and people tend to follow through on things they'd postponed. Over the next few days, **information you've been waiting for** usually arrives, and you'll feel ready to **commit to choices** you'd been sitting on.

**Sun, 24 Dec** ♄ Chiron \* Sextile ☉ natal Sun

**Mon, 25 Dec** ♀ Venus enters ♄ Capricorn

Venus in Capricorn makes people **slower to commit** but more serious once they do—you notice yourself caring less about flashy romance and more about whether someone actually shows up. At work and in friendships, this transit brings **direct conversations** about what you actually want instead of hinting around, and people generally respect the honesty. Money matters get **practical attention** too, so you're more likely to check your budget, delay impulse buys, and think about long-term value rather than what feels good right now.

**Wed, 27 Dec** ♄ Saturn \* Sextile ♀ natal Venus
