KEY TRANSIT FACTORS

♀ Venus ☐ Square ♃ natal Jupiter

You are spending more freely right now and having trouble saying no to things you want, which can leave you short of money or overcommitted socially. Your **appetite for indulgence outpaces your actual resources**, and you may feel frustrated when reality pushes back against what feels like reasonable enjoyment. Over the coming weeks, the gap between what you want to give yourself and what you can actually afford will become hard to ignore.

♃ Jupiter ∟ Semi sextile ♀ natal Venus

Over the coming weeks, you find it easier to say yes to social invitations and to express what you actually like about the people around you. **You're more generous with compliments and attention**, which tends to make conversations warmer and more genuine. This small shift in how you show up socially often leads to better connections and a quiet sense of contentment in your relationships.

☉ Sun ☉ Opposition ☾ natal Moon

Right now you feel caught between what you want to do and what you feel you should do, and this split is making you irritable and tired. Your **need for rest clashes with external demands**, so you're pushing yourself when your body is asking for a break. Over the coming weeks, others may see you as withdrawn or difficult, when really you're just exhausted from the mismatch between your inner state and what the outside world expects from you.

♁ NNode ☿ Conjunction ♀ natal Venus

These days you are **drawn toward people and situations that feel more authentic to you**, and you find it easier to say no to relationships or commitments that don't fit. Your social choices become clearer because you care less about keeping peace and more about genuine connection. Over the coming weeks, pay attention to which people and activities you naturally gravitate toward—they are showing you what actually matters to you right now.

♄ Saturn ☉ Opposition ☾ natal Moon

These days you feel emotionally tired and less patient with people who depend on you, even though you know they need your support. Your automatic response is to withdraw or set stricter rules rather than explain what you actually need. This period pushes you to understand that your limits are real, but the way you communicate them right now tends to come across as cold or dismissive.

♂ Mars Rx · ♍ Virgo

Critical energy turns inward during this period, and self-criticism tends to be more active than productive action. Health, daily routines, and work habits come under scrutiny in ways that may feel more burdensome than useful. Small consistent efforts now build toward genuine improvement more reliably than sweeping overhauls.

☾ Sun ♂ Conjunction ♿ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

☾ Sun ♂ Conjunction ♄ Saturn

Right now you are more aware of your own limits and what you actually need to do versus what you want to do. You become **more serious about your responsibilities** and less interested in shortcuts or excuses. This is a practical time to make concrete progress on something that matters, even if it feels slow or requires discipline.

☾ Sun ♀ Opposition ♅ Uranus

Right now you feel a strong urge to break free from rules or routines that usually work fine, and this creates real friction with people around you. You might act impulsively or reject advice you would normally follow, making **sudden decisions without thinking through the practical consequences**. This period brings frustration because what you want to do conflicts with what actually needs to happen, and ignoring either side leaves you stuck.

LUNAR DAY

Moon in ♑ Capricorn · Day 26 / 30 · Waning Crescent

Focus narrows toward responsibilities and unfinished obligations during this transit, with less tolerance for distraction or small talk. The emotional tone becomes more reserved and measured for the next 48 hours.

CLOTHING & JEWELRY
