KEY TRANSIT FACTORS

☉ Sun ☐ Square ♅ Uranus ★

Right now you are more **restless and impatient with routine**, which makes it harder to stick to normal responsibilities or follow through on what you started. You want to break free from constraints, but the practical world does not cooperate, so you feel trapped between what you want to do and what you have to do. This psychological friction can push you toward reckless decisions if you do not find a safe outlet for the urge to rebel.

♂ Mars △ Trine ♅ natal Uranus

Right now you're willing to take risks in practical ways that normally feel too uncomfortable, and it's working out. You act on unconventional ideas quickly without overthinking them, and this **decisive independence** is getting real results. Over the coming weeks, trust that your instinct to break routine and try something different is actually reliable, not reckless.

♃ Jupiter * Sextile ☾ natal Moon

Right now you feel **more at ease with what you're feeling**, and that ease spreads to how you treat the people around you. You're quicker to laugh, more patient with complaints from family or friends, and you actually listen instead of just waiting for your turn to talk. Over the coming weeks, this emotional looseness often leads to real conversations that improve your relationships or help someone feel heard by you.

♆ Neptune qx Quincunx ♀ natal Venus

Over the coming weeks, you may feel **unsure about what you actually want in your relationships**, making it hard to know if you're genuinely attracted to someone or just imagining the connection. Your romantic or social preferences seem to shift without warning, leaving you confused about your own taste and boundaries. This fog usually lifts once *Neptune* moves on, so avoid making big commitment decisions while this lasts.

♇ Pluto qx Quincunx ♁ natal NNode

You feel pulled between what you want to do and what actually works right now, which can make decision-making awkward and frustrating. **You second-guess yourself more than usual**, especially about choices that affect your future or reputation. These days, sitting with this discomfort instead of forcing a decision will serve you better than rushing to resolve it.

☉ Sun ☌ Conjunction ♀ natal Venus

Right now you're more **drawn to people and less interested in being alone**. You find it easier to start conversations, accept invitations, and let others see you as you really are. This period is good for asking for what you want in relationships, because you're more confident that you deserve it.

☉ Sun ☐ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun ☿ Quincunx ♆ Neptune

These days you might notice a gap between what you're trying to accomplish and what actually feels right to you. Your practical plans can feel oddly disconnected from your gut feelings, leaving you **uncertain about which direction to trust**. This mismatch between doing and feeling tends to make decision-making slower and more confusing than usual.

LUNAR DAY

Moon in ♋ Pisces · Day 23 / 30 · Last Quarter

The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.
