♁ North Node	in ♒ Aquarius	16°31'23"	VII Rx
♁ Lilith	in ♎ Libra	3°03'14"	III

## KEY DATE

### ♂ Mars enters ♏ Scorpio

*Mars* in *Scorpio* brings **sharper focus** and **longer attention span** — people tend to stick with difficult projects instead of jumping between tasks. In relationships and work, you'll notice more **direct confrontation** of problems that were ignored before, which can clear the air but also creates tension if handled carelessly. *Mars* here makes people **dig deeper** into whatever they're doing, whether that's research, fitness routines, or figuring out why something isn't working.

## KEY TRANSIT FACTORS

### ☿ Mercury ☐ Square ♁ natal Chiron ★

While this lasts, you find yourself **rehashing old hurts in conversations** without meaning to. You say things that accidentally trigger people or bring up painful topics you thought you'd moved past. This period can feel frustrating because your words seem to land wrong, even when you're trying to help or connect.

### ☉ Sun ★ Sextile ♇ natal Pluto

You find it easier right now to **take charge of situations that usually feel overwhelming**. The transit of the *Sun* sextile your natal *Pluto* gives you practical confidence to handle difficult conversations or make real changes at work without getting stuck in doubt. Over the coming weeks, people respond to your directness and willingness to act, which opens doors you thought were closed.

### ♀ Venus ♂ Conjunction ☾ natal Moon

These days you feel more **relaxed and affectionate** than usual, and people around you notice it too. You are more likely to reach out to friends and family, enjoy physical comfort, and feel satisfied with things that normally frustrate you. This shift lasts only a few weeks, so small gestures of warmth or time spent with people you care about will feel especially rewarding right now.

### ☾ Moon ☐ Square ♁ natal Chiron

Right now your **emotional defences are getting poked**, and old hurts you thought you'd buried are coming back up. You're more irritable than usual and quicker to feel rejected, especially in conversations where someone disagrees with you or doesn't give you the reaction you wanted. These feelings will pass in a few days or weeks, but while this lasts you'll need to notice when you're snapping at people over small things instead of addressing what's actually bothering you underneath.

### ♁ Uranus ♂ Quincunx ♂ natal Mars

Your usual way of pushing forward or getting things done feels slightly off right now, like your timing is consistently a beat late or your efforts land awkwardly. You might find yourself **starting projects with energy but then stopping to rethink your approach** halfway through, which can be frustrating if you're used to just powering through. Over the coming weeks, the practical answer is to build in extra adjustment time and expect that your first attempt at something physical or competitive may need a revision.

## ♿ Mercury Rx · ♋ Cancer

Your thinking turns inward and emotionally colored during this period, making objective analysis harder. Past conversations or unresolved family matters resurface and demand attention. Revisiting emotional decisions is more useful now than making new ones while this lasts.

## ☉ Sun □ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

## ☉ Sun △ Trine ♄ Chiron

Right now you find it easier to **talk about what actually happened to you** without getting defensive or ashamed. Your practical ability to understand your own patterns improves, and you can explain your mistakes to others without needing to apologize repeatedly. This makes conversations feel clearer and less emotionally exhausting than usual.

## ☾ Moon ♂ Opposition ♿ Mercury

Right now your feelings and your thoughts are pulling in different directions, which makes it hard to say what you actually mean. You might feel upset about something but explain it in a way that sounds cold or defensive, so people don't understand what's really bothering you. This mismatch between what you feel and what you say creates **confusion in conversations**, and you'll likely need to circle back later to clear things up.

★ = natal resonance — this transit echoes your birth chart, amplifying its influence

## LUNAR DAY

Moon in ♑ Capricorn · Day 14 / 30 · Waxing Gibbous

**Focus narrows toward responsibilities** and unfinished obligations during this transit, with less tolerance for distraction or small talk. The emotional tone becomes more reserved and measured for the next 48 hours.

## CLOTHING & JEWELRY

Thursday · ♃ Jupiter · Venus in Gemini

Thursday is Jupiter's day — deep blue or royal indigo invites expansion and optimism. Amethyst worn as a ring or necklace supports wisdom and measured confidence.
