KEY TRANSIT FACTORS

☿ Mercury ☌ Conjunction ♁ natal Lilith

Over the coming weeks, you're more likely to say things you'd normally keep quiet about. You may notice yourself **speaking bluntly or asking direct questions** that feel almost uncomfortable coming out of your mouth. This isn't cruelty — it's just that your usual social filter is thinner right now, and your mind is sharper about spotting what doesn't add up.

♂ Mars ☌ Conjunction ♆ natal Neptune

These days you may notice your usual ability to focus has gotten softer, and you find yourself drawn toward activities that feel more open-ended or creative rather than goal-driven. You're more **intuitive about what you want**, but acting on it is harder because you can't quite pin down what your actual target is. Over the coming weeks, this cloudiness will fade, and your normal clarity will return.

♂ Mars ☌ Opposition ♄ natal Saturn

Right now you feel blocked when you try to push forward, as if every effort meets resistance from outside or from your own doubt. You become **frustrated and impatient** because things take longer than you want them to, and you may snap at people or force situations instead of waiting. Over the coming weeks, you will need to accept that some obstacles are real and that slowing down is the only way through, not a failure on your part.

♁ Chiron ☌ Trine ♃ natal Jupiter

While this lasts, you're more willing to talk about what actually hurt you in the past without getting stuck in blame. Your **practical honesty about your own weak spots** makes people trust you more, and they often open up to you about theirs. Over the coming weeks, this becomes an actual advantage in your relationships and work because you can help others without pretending you have all the answers.

♇ Pluto ☌ Quincunx ♂ natal Mars

Your usual way of handling conflict or pushing toward goals feels slightly off these days, as if your normal tactics are meeting unexpected resistance. You might notice yourself **second-guessing your approach** to situations where you'd normally act with confidence, or finding that direct methods don't produce the results you expect. Over the coming weeks, the practical adjustment you need is to slow down and observe what actually works rather than forcing your preferred solution.

♀ Venus Rx · ♌ Leo

The need for admiration and recognition in relationships surfaces more strongly right now, sometimes in ways that surprise you. Past romantic connections or unresolved questions about self-worth may return during this period. Examining what you genuinely offer in relationships is more useful than seeking external validation.

♄ Saturn Rx · ♈ Aries

Structures built on impulse rather than genuine foundation are being tested right now. Rules and commitments that felt constraining may now feel simply necessary. This period asks you to distinguish between the discipline you are avoiding and the limits that are genuinely serving your growth.

☉ Sun ☐ Square ☽ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun ∟ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

☉ Sun * Sextile ♆ Neptune

Right now you find it easier to **notice what others need without them having to ask**, and people respond well to this attentiveness. Your practical decisions feel less rigid, and you can hold two opposite ideas at once without getting stuck. This period is good for creative work, counseling conversations, or any situation where you need to read between the lines.
