## KEY TRANSIT FACTORS

### ♆ Neptune ☾ Opposition ♄ natal Saturn ★

Right now you are caught between wanting to escape your responsibilities and needing to keep things in order, which creates real confusion about what you should actually do. You may **avoid making decisions or following through on commitments** because the practical next steps feel unclear or pointless to you. Over the coming weeks, this friction between *Neptune's* desire to dissolve boundaries and *Saturn's* demand for structure will likely show up as missed deadlines, vague promises you can't keep, or a creeping sense that your plans are falling apart.

### ♇ Pluto ★ Sextile ♃ natal Jupiter ★

While this lasts, you feel more willing to **take calculated risks** and act on opportunities that normally would intimidate you. You're noticing that your instinct for what could work is sharper than usual, and people respond well when you pitch ideas or ask for what you need. Over the coming weeks, this confidence tends to open doors in practical areas like work, finances, or learning something new.

### ♃ Jupiter ★ Sextile ♇ natal Pluto ★

You are noticing that **you can actually follow through on changes you've been wanting to make**, whether at work or in your personal life, because your motivation to act is both strong and steady right now. *Jupiter* sextile your natal *Pluto* means you have real leverage to transform something practical — you see what needs to happen and you have the confidence to do it without second-guessing yourself. Over the coming weeks, people around you may pick up on this shift and start treating you differently, which can open doors you didn't expect.

### ♅ Uranus ☾ Opposition ♁ natal Chiron

Right now you are **unusually defensive about your weaknesses** and less willing to accept practical help from others. You may find yourself resisting advice or support that would normally feel useful to you, creating unnecessary friction in relationships where people are trying to assist. This defensiveness can push away the exact people who understand your limitations and could actually make things easier during these coming weeks.

### ☉ Sun ☿ Quincunx ♀ natal Venus

Over the coming weeks you notice a mismatch between what you want socially and what actually feels right to you. You might say yes to plans or people, then feel disconnected once you are there, creating **awkwardness in your interactions**. This disconnect fades as the transit passes, so small adjustments now will help you feel more authentic in your relationships.

### ♄ Saturn Rx · ♉ Taurus

Long-term financial structures, material commitments, and patterns of security are under review during this period. What you have been relying on for stability may require more active maintenance than you had assumed. Honest reckoning with resources and long-term obligations is the most useful work you can do right now.

### ☉ Sun \* Sextile ♂ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

### ☉ Sun Δ Trine ♄ Saturn

These days you find it easier to follow through on what you say you will do, and people notice your **reliability**. Work feels less overwhelming because you can break tasks into realistic steps instead of getting stuck in your own way. The practical support is there if you use it — the *Sun* trine *Saturn* makes real effort pay off in real results.

### ☾ Moon ♁ Quincunx ♀ Venus

Right now your emotional needs and what you want socially are slightly out of sync, so you might feel pulled in two directions. You could notice yourself wanting comfort and closeness at times when you'd rather stay independent, or the opposite. This **mismatch between feeling and wanting** is temporary, and noticing it is the first step to working with it instead of against it.
