## KEY TRANSIT FACTORS

### ☿ Mercury △ Trine ☾ natal Moon

Right now you find it much easier to say what you actually feel without overthinking it. Your conversations with people close to you flow naturally because you can **express emotions clearly and listen without getting defensive**. This is a good window to have the conversations you've been putting off, since what you say lands well and creates real understanding.

### ♇ Pluto □ Square ☿ natal Mercury

Right now you are **second-guessing everything you say**, replaying conversations and worrying you have said too much or the wrong thing. Your mind feels heavy and suspicious, making you reluctant to share your thoughts or ask for what you need. Over the coming weeks, this paranoia about communication can isolate you from the people around you unless you push through the discomfort and speak anyway.

### ☉ Sun △ Trine ♄ natal Saturn

Right now you're finding it easier to stick with difficult tasks without getting frustrated or distracted. Your **practical patience** is stronger than usual, which means you can push through boring or repetitive work without burning out. Over the coming weeks, this is a good time to tackle projects that need steady effort rather than sudden bursts of energy.

### ♁ Chiron qx Quincunx ♃ natal Jupiter

Over the coming weeks, you notice a mismatch between what you want to believe about yourself and what actually works in your life. You find yourself **questioning your usual confidence** or having to adjust your plans when reality doesn't match your expectations. This gap between your hopes and the practical results you're getting will likely push you to make small changes to how you approach problems.

### ♁ Chiron qx Quincunx ♇ natal Pluto

You feel pulled between wanting to fix something about yourself and realizing you can't force the change right now. This mismatch shows up as **restlessness in situations where you normally feel in control**, whether at work or in close relationships. Over the coming weeks, the discomfort itself is actually useful—it's pointing you toward a part of your life that needs a different approach than you've been taking.

### ♄ Saturn Rx · ♌ Leo

Ambition and the structures supporting creative or public expression face an honest review during this period. Recognition that has been slow to arrive may be prompting important reassessment of your goals or methods. Internal validation serves you more right now than seeking external acknowledgment.

### ☉ Sun □ Square ♁ Chiron

Right now you are more aware of your own weak spots and past hurts, which makes it harder to feel confident in what you're doing. You might find yourself **second-guessing your choices** or feeling like you're not good enough, even when you're performing well. This psychological self-doubt is temporary, but it takes real effort to push through it and keep moving forward.

☉ Sun ☐ Square ♁ NNode

These days you feel pulled between who you are right now and who you think you should become, and this gap creates real frustration. You might **resist feedback or advice** because accepting it feels like admitting you are not enough as you are. The practical result is that growth happens anyway, but it costs you energy and confidence in the short term.

☾ Moon ☐ Square ♃ Jupiter

Your emotions feel bigger than they actually are right now, and you are **overreacting to small disappointments** as if they matter more than they do. *Jupiter* amplifies whatever *Moon* is feeling, so today you might eat too much when you are mildly sad, or spend money you did not plan to spend because you want to feel better. The gap between what you want and what is realistic becomes harder to ignore, and sitting with that gap without doing something about it takes real effort.

LUNAR DAY

Moon in ♒ Aquarius · Day 3 / 30 · New Moon

**Emotional detachment increases** these days, making abstract discussions and group concerns feel more engaging than personal ones. People respond better to logic than to feeling right now, and the need for independence runs noticeably higher.
