KEY TRANSIT FACTORS

☉ Sun * Sextile ☾ natal Moon ★

Right now you find it easier to **act on what you actually feel** instead of second-guessing yourself. Your *Sun* and *Moon* are working together, so your instincts match your choices and you trust your gut more readily. Over the coming weeks, people around you will likely respond well because you come across as genuine and settled in yourself.

♆ Neptune * Sextile ♂ natal Mars

You find yourself **acting on your goals with less resistance and more creative confidence** while this transit lasts. Your usual drive to push forward softens into something more intuitive, and you accomplish things by feeling your way through obstacles rather than bulldozing past them. Over the coming weeks, people respond better to this quieter approach, and you discover that backing off the gas pedal actually gets you further.

♀ Venus ☐ Square ☉ natal Sun

Right now you feel **less attractive and less sure of yourself** than usual, which makes social situations feel awkward instead of enjoyable. You may notice that people are not responding to you the way they normally do, or that you are picking fights over small things in your close relationships. This friction is temporary, but while it lasts, you will need to be more intentional about how you show up around others instead of relying on your usual charm.

☿ Mercury ∟ Semi sextile ♁ natal Uranus

Your mind feels sharper at spotting patterns other people miss, and you're more likely to **ask the unconventional questions** that actually move a conversation forward. These days you find it easier to explain your unusual ideas to others because your words just seem to land better. Over the coming weeks, this is a good time to pitch new thinking at work or share perspectives you've been holding back.

☾ Moon ☐ Square ☉ natal Sun

Right now you're feeling **irritable with the people closest to you**, even when they haven't done anything wrong. Your mood swings are making it hard to stick to your normal routines, and small frustrations at work or home feel much bigger than they actually are. These next few days or weeks will test your patience, but once this passes you'll see more clearly what actually bothers you and what doesn't.

☿ Mercury Rx · ♏ Scorpio

Communication about sensitive or private matters is particularly prone to misunderstanding during this period. Past secrets, investigations, or unresolved trust issues may resurface and demand honest attention. What you hesitate to say is often more important than what you actually say right now.

☉ Sun ♂ Conjunction ☿ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

☉ Sun ☾ Semi sextile ♂ Mars

These days you feel **motivated to take small steps forward** without forcing things or burning out. Your practical energy matches what you actually want to do right now, so starting a project or having a difficult conversation feels less exhausting than usual. This is a good window to build momentum on something you care about while the effort still feels natural.

☉ Sun ☿ Opposition ♄ Chiron

At the moment, you're likely to notice what you're **avoiding about yourself** — the parts of your character or your past that make you uncomfortable. This awareness doesn't feel good because it arrives as criticism rather than compassion, leaving you defensive or ashamed. Over the coming weeks, you may find yourself pushing back against feedback from others, even when it contains something useful, because right now your ego feels too raw to hear it.

LUNAR DAY

Moon in ♎ Libra · Day 27 / 30 · Waning Crescent

The social atmosphere becomes more diplomatic during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.

CLOTHING & JEWELRY
