## KEY TRANSIT FACTORS

### ☉ Sun $\Delta$ Trine ♇ natal Pluto

You're able to see through situations right now and spot what actually matters instead of getting distracted by surface details. This clarity gives you **quiet confidence** to make decisions you've been putting off, whether at work or in personal relationships. Over the coming weeks, people tend to trust what you say because you come across as genuinely straightforward.

### ♃ Jupiter \* Sextile ☾ natal Moon

Right now you feel **more at ease with what you're feeling**, and that ease spreads to how you treat the people around you. You're quicker to laugh, more patient with complaints from family or friends, and you actually listen instead of just waiting for your turn to talk. Over the coming weeks, this emotional looseness often leads to real conversations that improve your relationships or help someone feel heard by you.

### ♇ Pluto $\angle$ Semi sextile ♇ natal Pluto

Over the coming weeks, you find yourself **making practical changes without the usual resistance** in areas where you normally feel stuck. Small shifts in how you approach difficult tasks or relationships happen naturally, almost without effort on your part. This is a good time to act on improvements you've been thinking about, because the psychological friction that usually holds you back feels noticeably lighter right now.

### ♂ Mars $\square$ Opposition ♁ natal Chiron

Right now you are **quick to react defensively when anyone points out a weakness or mistake**, and this makes conversations harder instead of easier. Your old insecurities about not being good enough are closer to the surface, so small criticism stings more than usual. Over the coming weeks, you will need to catch yourself before snapping at someone who is only trying to help.

### ☉ Sun \* Sextile ♃ natal Jupiter

You're feeling more confident about your abilities right now, and you're probably taking on projects or conversations you might normally avoid. Your natural optimism is working in your favor — people respond well to your **straightforward, encouraging attitude**, and doors tend to open more easily. Over the coming weeks, trust this momentum to try something new or pitch an idea you've been sitting on.

### ♀ Venus **Rx** • ♒ Aquarius

The role of freedom and individuality in your closest relationships comes into sharp focus during this period. Connections that require too much compromise of your independence feel unsatisfying now. Use this time to clarify what you genuinely need in partnership rather than settling for what is available.

☉ Sun ☐ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

☉ Sun ∟ Semi sextile ♆ Neptune

These days you find it easier to **imagine things before you build them**, whether that's a project at work or how you want your living space to feel. The subtle connection between *Sun* and *Neptune* softens your usual need to rush into action, giving your practical plans a touch of creativity. This is a good time to sketch out ideas, talk through your vision with others, or sit with half-formed thoughts without needing immediate answers.

☉ Sun ☐ Square ♇ Pluto

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.

LUNAR DAY

Moon in ♏ Scorpio · Day 23 / 30 · Last Quarter

**Psychological intensity rises** for the next 48 hours, and surface-level talk becomes noticeably less satisfying. People read into what others leave unsaid more than usual, and private matters feel more pressing.
