♊ North Node	in ♒ Aquarius	16°31'23"	VII Rx
♁ Lilith	in ♎ Libra	3°03'14"	III

KEY TRANSIT FACTORS

☿ Mercury ☐ Quincunx ♊ natal NNode ★

Your mind is working at odds with what feels natural to you socially right now, making conversations feel slightly off or effortful. You might notice **a mismatch between what you want to say and how others are actually receiving it**, leaving you feeling like you have to adjust or repeat yourself more than usual. Over the coming weeks, pay attention to this friction instead of pushing through it — it's temporary and often signals where you need to slow down and listen more carefully.

♂ Mars △ Trine ♀ natal Venus ★

Right now you find it much easier to **ask for what you want** without feeling guilty or defensive about it. Your social confidence is naturally higher, and people respond well to the directness and warmth you're putting out. Over these coming weeks, you might notice yourself saying yes to invitations or making plans you'd normally hesitate about, and things tend to go smoothly when you do.

☿ Mercury ☐ Square ♁ natal Chiron ★

While this lasts, you find yourself **rehashing old hurts in conversations** without meaning to. You say things that accidentally trigger people or bring up painful topics you thought you'd moved past. This period can feel frustrating because your words seem to land wrong, even when you're trying to help or connect.

♅ Uranus ☌ Conjunction ♆ natal Neptune

Right now you may find it harder to stick to routines or long-term plans because your thoughts keep shifting between different possibilities. You feel **restless with what's familiar** and want to try new approaches even if you haven't thought them through completely. These days your practical decisions can feel uncertain, so it helps to write things down and check them again before acting.

♂ Mars △ Trine ♂ natal Mars

You find it easier to push through physical tasks and stick with difficult goals while this lasts. Your usual drive gets a real boost, so work projects move faster and exercise feels less like a battle. This is a good time to tackle anything that requires sustained effort because your natural assertiveness and your ability to follow through are working together smoothly.

☉ Sun ∟ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun ☌ Quincunx ♆ Neptune

These days you might notice a gap between what you're trying to accomplish and what actually feels right to you. Your practical plans can feel oddly disconnected from your gut feelings, leaving you **uncertain about which direction to trust**. This mismatch between doing and feeling tends to make decision-making slower and more confusing than usual.

★ = natal resonance — this transit echoes your birth chart, amplifying its influence

LUNAR DAY

Moon in ♊ Gemini · Day 26 / 30 · Last Quarter

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY

Saturday · ♄ Saturn · Venus in Gemini

Saturday is Saturn's domain — dark violet, charcoal, or deep plum reflect discipline and depth. Obsidian or onyx as a grounding stone supports structure and focus.
