KEY TRANSIT FACTORS

☿ Mercury △ Trine ☾ natal Moon

Right now you find it much easier to say what you actually feel without overthinking it. Your conversations with people close to you flow naturally because you can **express emotions clearly and listen without getting defensive**. This is a good window to have the conversations you've been putting off, since what you say lands well and creates real understanding.

♅ Uranus □ Square ☾ natal Moon

Your **emotional reactions feel unpredictable and harder to control** right now, catching you off guard in situations where you normally stay calm. People close to you may seem confused or frustrated because your mood shifts without warning, and you struggle to explain why you feel unsettled. Over the coming weeks, this restlessness pushes you to question habits and routines that no longer fit, but the process feels uncomfortable rather than liberating.

♇ Pluto ∟ Semi sextile ♃ natal Jupiter

Over the coming weeks, you feel quietly **more willing to take practical steps toward your goals** without the usual second-guessing. *Pluto* is softly encouraging *Jupiter's* natural optimism, so small efforts you make tend to compound into real progress. This is a good time to act on plans you've been sitting with, because your confidence and follow-through are aligned right now.

♄ Saturn qx Quincunx ♄ natal Saturn

These days you notice your usual routines feel slightly off balance, as if the structure you rely on no longer fits quite right. You might find yourself **adjusting your approach to work or discipline** more often than usual, catching small inefficiencies you'd overlooked before. This discomfort is temporary and often points to practical changes worth making once this period passes.

♅ Uranus * Sextile ♅ natal Uranus

You find yourself **more willing to try new approaches** to problems that have frustrated you before. These days, you can spot practical changes that might actually work without overthinking them. Over the coming weeks, this clarity makes it easier to break free from routines that no longer fit your life.

♃ Jupiter Rx · ♐ Sagittarius

Beliefs, philosophies, and long-held worldviews are under more rigorous self-examination than usual right now. Optimism that has been unquestioned may suddenly reveal its assumptions. This period is genuinely useful for distinguishing between what you believe and what you actually know.

♄ Saturn Rx · ♏ Scorpio

Deep psychological structures — the ways you manage power, control, and shared resources — are under quiet but significant review right now. Commitments made at depth, financial obligations, or emotional contracts with others demand careful attention. Unacknowledged patterns of control or avoidance are being surfaced for honest examination.

☉ Sun ☾ Semi sextile ♄ Chiron

These days you find it easier to **notice what actually bothers you instead of ignoring it**. This small shift in self-awareness means you can address practical problems before they get worse. The *Sun* and *Chiron* aspect right now creates a quiet window where you see yourself more clearly and can make real changes.

☾ Moon ☾ Semi sextile ☿ Mercury

These days your thoughts and feelings are **naturally aligned**, so what you say matches what you actually feel inside. You find it easier to explain what is bothering you or what you need without getting confused or defensive. This makes conversations smoother because people understand you the first time instead of having to guess what you mean.

☾ Moon △ Trine ♃ Jupiter

Right now you feel more **generous and open to others** than usual, and people pick up on that. You're more likely to say yes to plans, share what you have, and give people the benefit of the doubt. This is a practical time to strengthen relationships because you're not defensive or withdrawn.

LUNAR DAY

Moon in ♈ Aries · Day 29 / 30 · Waning Crescent

Impatience with delays rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.
