KEY TRANSIT FACTORS

♊ NNode * Sextile ♁ natal Chiron ★

Over the coming weeks, you find it easier to **talk openly about past hurts without getting stuck in them**. People respond well when you share something real about yourself because you're no longer defending or minimizing what happened. This practical shift in how you communicate creates real opportunities to connect with others on an honest level.

☾ Moon * Sextile ☉ natal Sun ★

You feel **more comfortable with yourself** right now, which makes it easier to speak up in conversations and take small actions you have been putting off. Your mood is steady enough that you can actually listen to other people instead of getting caught up in your own concerns. While this *Moon sextile Sun* lasts, things that usually feel difficult—like asking for help or sharing what you think—feel more natural.

♀ Venus Δ Trine ♁ natal Chiron

You find it easier to talk about things that usually hurt, and people actually listen without judgment. Your **openness about past disappointments** feels safe right now, and you notice others responding with real compassion instead of awkwardness. This period gives you a chance to connect with people over shared struggles in a way that strengthens your relationships.

♂ Mars ∟ Semi sextile ♆ natal Neptune

Right now you're finding it easier to act on your creative ideas instead of just thinking about them. You have a practical instinct for knowing which intuitions are worth pursuing and which ones to set aside. This **grounded creativity** means you can turn daydreams into actual projects over these coming weeks.

♊ NNode ∟ Semi sextile ☿ natal Mercury

Over the coming weeks, you find it easier to **say what you actually mean** without overthinking or second-guessing yourself. People respond better to your words because you're speaking more directly and with less self-doubt. This is a good time to have conversations you've been putting off or to pitch an idea you believe in.

☾ Moon Δ Trine ☿ Mercury

Right now it feels easier to say what you actually mean without stumbling over your words or worrying what others will think. Your **thoughts match your feelings**, so conversations flow naturally and people understand you the first time. This is a good window for sorting through something confusing, making plans, or having an honest talk that you have been putting off.

☾ Moon ☉ Opposition ♂ Mars

Right now your **irritability is running high** and small annoyances feel like major problems. People around you seem to trigger you faster than usual, and you may snap at them or pick fights without meaning to. These days the gap between what you feel and what you're actually able to do creates real frustration, so patience is thin on the ground for everyone.

› Moon △ Trine ♆ Neptune

These days you find it easier to **listen to what people actually need instead of what they say**, and conversations feel less defensive on both sides. Your emotional reactions are softer right now, so small annoyances don't trigger the same quick frustration they normally would. This is a good window for talking through something difficult because you're naturally more patient and people sense you're genuinely trying to understand them.

LUNAR DAY

Moon in ♉ Taurus · Day 9 / 30 · First Quarter

The pace slows considerably during this transit as comfort and familiar surroundings take priority over efficiency. Resistance to change hardens, and any disruption to routine tends to provoke stubborn pushback.
