KEY TRANSIT FACTORS

♀ Venus △ Trine ♊ natal NNode ★

Right now you find it easier to **connect with people who feel aligned with what you actually want**, rather than slipping into old patterns of pleasing everyone. Your social interactions feel less effortful because you are naturally drawn toward relationships and situations that match where you are heading. Over the coming weeks, you may notice you're making choices that feel genuinely yours instead of choices you think you should make.

♊ NNode ♂ Conjunction ♄ natal Saturn

You are more aware right now of where you need to set limits and take responsibility, and you find it easier to say no to things that drain you. This period pushes you to **get serious about your commitments** and cut away what does not matter. Over the coming weeks, you may feel less interested in socializing or taking risks, and more focused on building something solid that will actually last.

☾ Moon □ Square ☿ natal Mercury

Right now your emotions are making it harder to think clearly or communicate what you actually mean. You say things you didn't plan to say, or you misread what others are trying to tell you because you're **reacting from feeling rather than listening**. These next few days or weeks will test your patience with conversations and small decisions until this mood passes.

♀ Venus ♂ Opposition ♁ natal Chiron

Right now you're noticing that people respond differently to you than usual, and it feels uncomfortable because old insecurities about your **likability and self-worth** are surfacing. You might find yourself either trying too hard to be liked or pulling away from social situations altogether, which makes real connection harder rather than easier. Over the coming weeks, this friction is an opportunity to see where you've been hiding your actual personality to fit in, but it will not feel good while it's happening.

♊ NNode ♂ Opposition ♆ natal Neptune

Right now you are **caught between what you want to believe and what actually works**, and it is making you second-guess your choices. You may find yourself drawn to unrealistic plans or people who promise too much, only to hit a practical wall that forces you to face facts. Over the coming weeks, this friction will push you to get honest about where you are avoiding reality and to build something more solid instead.

☉ Sun □ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

› Moon ☾ Opposition ♀ Venus

At the moment, you feel disconnected from what usually makes you happy, and this can push you toward picking fights or withdrawing from people you care about. Your emotional needs and what others want from you are pulling in opposite directions, so small frustrations in relationships tend to blow up. This friction is real—use it to notice where you are actually unhappy rather than blaming the other person.

› Moon △ Trine ♂ Mars

Right now you feel like acting on what matters to you instead of overthinking it. **Your emotions and your willingness to do things are working together**, so a project you've been hesitant about suddenly feels doable. These days small tasks get done faster and conversations feel easier because you're not second-guessing yourself.
