♊ North Node	in	♒ Aquarius	16°31'23"	VII Rx
♁ Lilith	in	♎ Libra	3°03'14"	III

KEY TRANSIT FACTORS

♇ Pluto * Sextile ☾ natal Moon

You find it easier right now to talk about what you actually feel instead of keeping things hidden. Your **emotional honesty** comes across as natural and calm, so people listen and respond well. Over the coming weeks, this means conversations with family or close friends become more real and less guarded.

♆ Neptune ☽ Opposition ☉ natal Sun

Right now you are **doubting your own judgment** and struggling to see yourself clearly. You may act in ways that confuse people or that you later regret because your sense of who you are has become fuzzy. This confusion will pass, but while it lasts you need to slow down on big decisions and check your choices with someone you trust.

♁ Chiron qx Quincunx ♃ natal Jupiter

Over the coming weeks, you notice a mismatch between what you want to believe about yourself and what actually works in your life. You find yourself **questioning your usual confidence** or having to adjust your plans when reality doesn't match your expectations. This gap between your hopes and the practical results you're getting will likely push you to make small changes to how you approach problems.

☉ Sun qx Quincunx ♊ natal NNode

Right now you feel **pulled in two different directions** about what you want to do with your time and energy. Part of you wants to keep doing what's familiar, but another part senses you should be moving toward something new. This awkward feeling usually passes in a couple of weeks, but while it lasts you may second-guess decisions or feel restless about the direction you're heading.

♄ Saturn qx Quincunx ☿ natal Mercury

Right now your thinking feels clumsy and slow compared to how you normally operate. You have to work harder to organize your thoughts or explain yourself clearly, even when you know what you mean. This awkward phase lasts a few weeks and usually passes once you stop fighting the slower pace and just accept that communication takes more effort at the moment.

♃ Jupiter Rx · ♈ Aries

Expansion and confidence retreat inward during this period, and bold initiatives launched recently may feel overextended. The impulse to charge forward is replaced by a quieter, more honest review of where your genuine optimism is warranted. Reassessment serves you better than new beginnings right now.

☉ Sun ☽ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

☉ Sun ☐ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

☾ Moon ☒ Quincunx ♀ Venus

Right now your emotional needs and what you want socially are slightly out of sync, so you might feel pulled in two directions. You could notice yourself wanting comfort and closeness at times when you'd rather stay independent, or the opposite. This **mismatch between feeling and wanting** is temporary, and noticing it is the first step to working with it instead of against it.

LUNAR DAY

Moon in ♈ Aries · Day 18 / 30 · Full Moon

Impatience with delays rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.

CLOTHING & JEWELRY

Thursday · ♃ Jupiter · Venus in Gemini

Thursday is Jupiter's day — deep blue or royal indigo invites expansion and optimism. Amethyst worn as a ring or necklace supports wisdom and measured confidence.
