## KEY TRANSIT FACTORS

### ♂ Mars ☍ Opposition ♆ natal Neptune

Over the coming weeks you'll find your usual ability to read situations slipping away, leaving you **second-guessing your instincts** and making poor calls you'd normally avoid. Your frustration will build because you're acting on incomplete information while *Mars* pushes you to move faster than is wise. The mismatch between what you think is happening and what's actually true creates real practical problems in work and relationships until this transit passes.

### ☾ Moon ☍ Opposition ♃ natal Jupiter

Right now you are **overestimating what you can handle**, and your emotions are pushing you to say yes to things you should refuse. Your mood swings between optimism and disappointment as reality fails to match the promises you made to yourself or others. Over the coming weeks, you'll need to watch your impulse to spend money, make big plans, or commit to too many social obligations while your judgment is temporarily unreliable.

### ♁ Chiron ∠ Semi sextile ♄ natal Saturn

Over the coming weeks, you find it easier to **accept your own limitations without harsh judgment** — what you could not do before feels less like failure and more like simple fact. This practical shift means you stop wasting energy fighting against real constraints and start working within them more skillfully. Your relationships benefit because you become less defensive about your weaknesses and more honest about what you actually need from others.

### ☾ Moon Δ Trine ♇ natal Pluto

Right now you're noticing that difficult conversations feel less scary, and you're able to say what you actually think without overthinking it. Your **emotional honesty** is flowing more naturally, which means people around you are responding better to what you share. Over the coming weeks, this ease with your own feelings can help you sort through old patterns that usually trip you up.

### ♂ Mars ☌ Conjunction ♄ natal Saturn

While this lasts, you find yourself **willing to push through tasks that normally feel tedious or heavy**. Your patience is higher than usual, and you can sit with difficult work without getting frustrated or giving up halfway through. This is a practical window to tackle projects that require sustained effort and careful attention to detail.

### ☾ Moon ☌ Conjunction ♂ Mars

These days you feel **more willing to act on what bothers you** instead of sitting with it quietly. Your emotions are running faster than usual, and you're more likely to speak up or make a move when something frustrates you. This is a practical time to tackle tasks that need direct energy, though it's also easier to react sharply if someone gets in your way.

› **Moon ☌ Conjunction ♃ Jupiter**

Right now you feel more **generous and open to other people** than usual, which makes it easier to connect socially or ask for what you need. Your emotional confidence is higher, so you're more likely to take a chance on something that normally makes you nervous. This mood won't last forever, so use it to have conversations you've been putting off or to try something that requires a bit of courage.

› **Moon ∟ Semi sextile ♄ Chiron**

At the moment, you find it easier to **talk about what hurts without dramatizing it**. The *Moon* and *Chiron* connection right now makes you want to be straightforward about your own tender spots, and this honesty often helps other people feel safer doing the same. Over the coming weeks, this practical openness can turn small conversations into real comfort for the people around you.
