KEY TRANSIT FACTORS

♁ NNode △ Trine ♀ natal Venus ★

Right now you find it easier to **say what you actually want in relationships** instead of hiding your needs. People respond well to your honesty because you're not aggressive about it, just clear. Over these coming weeks, you may notice others treating you with more warmth and respect when you show up as your authentic self.

♀ Venus □ Square ♁ natal Chiron

Right now you're more aware of what you're not getting from the people close to you, and it stings more than usual. You might find yourself **withdrawing from social situations or feeling rejected** even when no one has actually hurt you. Over the coming weeks, this discomfort is pointing you toward recognizing where you've settled for less affection or respect than you actually need.

☉ Sun * Sextile ♇ natal Pluto

You find it easier right now to **take charge of situations that usually feel overwhelming**. The transit of the *Sun* sextile your natal *Pluto* gives you practical confidence to handle difficult conversations or make real changes at work without getting stuck in doubt. Over the coming weeks, people respond to your directness and willingness to act, which opens doors you thought were closed.

♁ NNode ♂ Conjunction ♂ natal Mars

Over the coming weeks, you're more likely to **act on something you've been thinking about instead of sitting with it**. You feel a natural push to test your limits and take direct steps toward what matters to you. This isn't recklessness—it's your ability to move forward becoming sharper, so use it for practical goals rather than impulsive decisions.

☾ Moon * Sextile ♀ natal Venus

While this lasts, you find it easier to express affection and say what you actually appreciate about people in your life. Your **warmth comes across naturally**, and others respond well to you without you having to try hard. These days are good ones to reach out to someone you care about or do something kind that you have been putting off.

♃ Jupiter Rx • ♋ Cancer

Emotional generosity and the expansion of close bonds may feel less available right now. Past connections, family relationships, or unresolved emotional commitments return to the foreground. Honest reflection on where your genuine care and loyalty are directed yields more than performing warmth you do not feel.

☾ Moon □ Square ♇ Pluto

Right now your emotional reactions feel disproportionate to what is actually happening around you. You are more likely to **fixate on worst-case scenarios** and push people away when you feel threatened, even if the threat is imagined. These days the psychological pressure builds internally because you cannot easily talk about what is bothering you, and small disagreements can turn into bigger conflicts if you do not step back and check yourself.

› Moon ☌ Semi sextile ☌ Chiron

At the moment, you find it easier to **talk about what hurts without dramatizing it**. The *Moon* and *Chiron* connection right now makes you want to be straightforward about your own tender spots, and this honesty often helps other people feel safer doing the same. Over the coming weeks, this practical openness can turn small conversations into real comfort for the people around you.

› Moon ☌ Opposition ☌ NNode

Right now you feel pulled between what you want emotionally and what you know you need to do long term. You might **avoid making decisions** because your gut feelings conflict with your practical goals. These days people tend to act on comfort and habit instead of moving toward what actually serves them.
