KEY TRANSIT FACTORS

☉ Sun * Sextile ☾ natal Moon ★

Right now you find it easier to **act on what you actually feel** instead of second-guessing yourself. Your *Sun* and *Moon* are working together, so your instincts match your choices and you trust your gut more readily. Over the coming weeks, people around you will likely respond well because you come across as genuine and settled in yourself.

☿ Mercury qx Quincunx ♁ natal NNode ★

Your mind is working at odds with what feels natural to you socially right now, making conversations feel slightly off or effortful. You might notice **a mismatch between what you want to say and how others are actually receiving it**, leaving you feeling like you have to adjust or repeat yourself more than usual. Over the coming weeks, pay attention to this friction instead of pushing through it — it's temporary and often signals where you need to slow down and listen more carefully.

☉ Sun □ Square ♁ natal Uranus ★

Right now you feel restless with your usual routines and **resist what you normally accept without question**. You might pick fights with authority figures or suddenly reject plans you agreed to weeks ago, leaving people confused by your sudden change of mind. Over the coming weeks, this friction with the establishment or your own habits will force you to decide what you actually want instead of what you think you should want.

☿ Mercury ∟ Semi sextile ♀ natal Venus

Over the coming weeks, you find it easier to say what you actually appreciate about people instead of keeping quiet. Your conversations flow more naturally when you're being genuine about what matters to you. This small shift in how you communicate makes your relationships feel a bit warmer and less guarded.

♀ Venus ☾ Opposition ♂ natal Mars

Right now you're caught between what you want and what others want from you, and the clash is hard to ignore. You feel **restless and irritable** when people don't match your pace or energy, and you're more likely to snap or push back instead of finding middle ground. These days your relationships and attractions carry more friction than usual, and it takes real effort to slow down enough to actually listen.

♄ Saturn Rx · ♒ Aquarius

The structures supporting group goals, social commitments, and future-oriented plans are being honestly tested right now. Rules and systems that seemed useful may prove unnecessarily rigid under pressure. Distinguishing between structures worth preserving and those worth updating is the most useful work of this period.

☉ Sun ☿ Quincunx ♄ Saturn

Right now you feel a mismatch between what you want to do and what seems practical or allowed. You might push forward with a plan only to run into a real obstacle that makes you reconsider, or hold back when you actually have a real opportunity. **This awkward timing between your drive and your responsibilities** means you cannot simply act on instinct—you need to adjust, compromise, or wait for better conditions.

☾ Moon ☿ Opposition ♀ Mercury

Right now your feelings and your thoughts are pulling in different directions, which makes it hard to say what you actually mean. You might feel upset about something but explain it in a way that sounds cold or defensive, so people don't understand what's really bothering you. This mismatch between what you feel and what you say creates **confusion in conversations**, and you'll likely need to circle back later to clear things up.

☾ Moon ☿ Quincunx ♀ Venus

Right now your emotional needs and what you want socially are slightly out of sync, so you might feel pulled in two directions. You could notice yourself wanting comfort and closeness at times when you'd rather stay independent, or the opposite. This **mismatch between feeling and wanting** is temporary, and noticing it is the first step to working with it instead of against it.
