## KEY TRANSIT FACTORS

### ♋ NNode qx Quincunx ♃ natal Mercury ★

Over the coming weeks, you'll notice your usual way of explaining things doesn't quite land the way it normally does. People seem to need you to say things differently than feels natural to you right now, which can be **awkward and frustrating** in conversations. The mismatch between what you want to communicate and what actually gets understood will push you to find new ways of thinking about how you talk to others.

### ♆ Neptune ∠ Semi sextile ♂ natal Mars

Right now your usual drive to act is softened by a gentler, more intuitive approach to what you want. You find yourself **listening to your gut before charging ahead**, which actually helps you avoid wasted effort and see better options. Over the coming weeks, this combination of *Neptune* and *Mars* lets you pursue your goals with less force and more imagination, making your efforts feel easier even when you're working hard.

### ♀ Venus qx Quincunx ♇ natal Pluto

Over the coming weeks, you may notice that **what you want socially or romantically no longer matches what actually satisfies you**, leaving you feeling oddly restless even when things are going well. You might find yourself questioning a relationship or friendship more critically than usual, spotting problems you'd overlooked before. This mismatch between your surface desires and your deeper needs is temporary, but it's real right now, and it usually means something in your social world needs honest adjustment.

### ♁ Chiron \* Sextile ♀ natal Venus

Over the coming weeks, you find it easier to talk about what actually matters to you in relationships instead of staying quiet or pretending everything is fine. Your **honesty about your own needs** seems to land better with others right now, and people respond by opening up more too. This natural flow between what you feel and what you say creates real connection without the usual awkwardness or hurt feelings.

### ♀ Venus qx Quincunx ♃ natal Jupiter

Over the coming weeks, you may find yourself **wanting more from your relationships and social life than feels comfortable to ask for**. You notice a mismatch between what you hope for and what you're actually willing to pursue, leaving you feeling a bit stuck in conversations or plans. This awkward feeling typically passes once you decide what you actually want instead of waiting for the perfect moment.

### ☉ Sun ♂ Opposition ♋ NNode

Right now you are **pulled between what feels safe and what pushes you forward**, and this friction makes decision-making harder than usual. You notice yourself either clinging to familiar routines or suddenly abandoning them, without finding a middle ground that actually works. Over the coming weeks, this disconnect between your comfort zone and growth will keep surfacing in practical situations, forcing you to pick a direction instead of staying stuck.

### › Moon ☾ Quincunx ♿ Mercury

At the moment your *Moon* and *Mercury* are at odds, which makes it hard to say what you actually feel without overthinking it first. You might notice yourself **second-guessing your own reactions** or explaining your emotions in ways that don't quite fit the actual situation. This awkward angle between emotion and thinking tends to create mild frustration until you accept that some feelings just don't translate neatly into words.

### › Moon ☾ Quincunx ♀ Venus

Right now your emotional needs and what you want socially are slightly out of sync, so you might feel pulled in two directions. You could notice yourself wanting comfort and closeness at times when you'd rather stay independent, or the opposite. This **mismatch between feeling and wanting** is temporary, and noticing it is the first step to working with it instead of against it.
