KEY TRANSIT FACTORS

♂ Mars ☌ Opposition ♁ natal NNode

Right now you're running into friction with people who expect you to follow their path, and you're **pushing back harder than usual**. Your instinct is to act independently and prove yourself, which creates real conflict with anyone trying to guide or direct you. Over the coming weeks, you'll notice this drive to go your own way is actually blocking the connections and collaborative opportunities that normally help you grow.

♃ Jupiter ☌ Quincunx ☿ natal Mercury

Right now your thinking feels scattered when you try to tackle detailed work or organize your thoughts. You may notice yourself making careless mistakes in writing or communication because your **attention keeps jumping between ideas** instead of staying focused. Over the coming weeks, double-checking your work and writing things down before speaking will help you actually complete what you start.

♇ Pluto ☌ Conjunction ♆ natal Neptune

You may find yourself **questioning beliefs or systems you've relied on** right now, as your usual sense of certainty starts to feel thin. What used to comfort you — a routine, a relationship dynamic, a way of thinking — can suddenly look hollow or false from your perspective. This confusion is uncomfortable but honest, and it typically clears once *Pluto* moves past your *Neptune*.

♃ Jupiter ☌ Trine ♁ natal Chiron

Over the coming weeks, you find it easier to talk about past hurts without getting stuck in them, and people respond well to your honesty. You're naturally **more generous with yourself** when you make mistakes, which means you actually learn from them instead of dwelling. This is a good window to help others through their own difficulties because you genuinely understand what they're going through.

☿ Mercury * Sextile ♁ natal Chiron

Right now you find it easier to talk about things that normally feel difficult or tender for you. Your words come out clearer and more honest without feeling as risky, and people tend to listen more carefully. This is a good window to **have the conversations you've been putting off** — about past hurts, what you need, or how you've grown from hard experiences.

♂ Mars Rx • ♌ Leo

The desire for recognition and creative output is present but blocked or redirected during this period. Ambitions that felt exciting may feel suddenly hollow, or effortful performance yields less response than expected. Reassessing your goals is more honest and productive now than seeking visible results.

☉ Sun ☌ Conjunction ☾ Moon

These days you feel more **aligned between what you want and what you feel**. Your emotional needs and your sense of direction match up, so you act with fewer doubts and less second-guessing yourself. This is a practical advantage when you need to make a choice or move forward on something that matters to you.

☉ Sun ☾ Semi sextile ♀ Mercury

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

☉ Sun ☐ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

LUNAR DAY

Moon in ♋ Pisces · Day 1 / 30 · New Moon

The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.

CLOTHING & JEWELRY

Wednesday · ♀ Mercury · Venus in Gemini

Wednesday answers to Mercury — bright yellow, amber, or golden tones sharpen the mind. Tiger's eye as a bracelet or pocket stone supports communication and mental clarity.
