## KEY TRANSIT FACTORS

### ♂ Mars ☌ Quincunx ☽ natal Moon

Over the coming weeks, you may feel **restless in ways that don't match what you actually want to do**. Your emotional needs and your impulse to act keep pulling in different directions, leaving you frustrated or unsure which one to follow. This awkward timing usually passes, but while it lasts you might notice yourself starting things and stopping them, or feeling irritated that people aren't moving at your pace.

### ♀ Venus ☌ Opposition ☉ natal Sun

Right now you are more critical of yourself and less comfortable being the centre of attention. You may notice you're **withdrawing from social situations** or feeling like you don't measure up to others around you. This period can feel isolating, but it's actually showing you where your confidence needs real work rather than external validation.

### ☿ Mercury ☌ Semi sextile ♃ natal Jupiter

While this lasts, you find it easier to **see the bigger picture in conversations** and explain your ideas in ways that actually land with people. Your thoughts naturally connect to larger themes, so even casual discussions feel more meaningful and productive. Over the coming weeks, this mental clarity makes it simpler to learn new things and share what you know without overthinking it.

### ☿ Mercury ☐ Square ♇ natal Pluto

Right now your conversations tend to become intense and you dig into uncomfortable truths that others would rather leave alone. You feel compelled to **expose hidden motives and hidden problems**, which makes people defensive or angry with you. Over the coming weeks, this blunt way of communicating will cost you socially unless you learn to hold back what you think.

### ♁ Chiron ☌ Semi sextile ♁ natal Chiron

You find yourself more willing to talk about things that normally feel difficult or private, and people respond better than you expected. This period brings a quieter kind of confidence where you stop pretending everything is fine and actually **admit what you struggle with**. Small conversations about real problems start to shift how you feel about yourself and what you thought you had to hide.

### ♃ Jupiter Rx • ♌ Leo

Creative confidence and the desire to be seen or celebrated retreat inward during this period. Projects that were expanding boldly may need a quieter phase of consolidation and honest self-review. Evaluating what you are genuinely proud of versus what requires more work is the most honest use of this time.

### ☉ Sun ☌ Conjunction ☿ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

☉ Sun △ Trine ♃ Jupiter

Right now you feel **more confident about your abilities** and you're likely to take on tasks you've been putting off. People around you notice your optimism and it spreads, making conversations easier and collaborations feel lighter. This is a practical window where your effort tends to produce visible results, so taking action on something you care about usually pays off.

☾ Moon □ Square ♀ Venus

Right now your **emotional needs feel at odds with what you actually want** — you might crave closeness but feel irritable when someone gets near, or want to be alone but then feel rejected. This mismatch between *Moon* and *Venus* makes it harder to communicate what you need without sounding demanding or cold. Over the coming weeks, pay attention to these moments so you can spot the pattern and name it out loud before resentment builds up.

LUNAR DAY

Moon in ♎ Libra · Day 24 / 30 · Last Quarter

**The social atmosphere becomes more diplomatic** during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.
