KEY TRANSIT FACTORS

♄ Saturn * Sextile ♁ natal NNode

You are finding it easier to stick with commitments that actually matter to you right now, whether that's a project, a relationship, or a personal goal. **Your ability to follow through** feels natural instead of forced, and people around you notice you are more reliable than usual. This period gives you real momentum to build something solid that aligns with where you actually want to go.

♅ Uranus * Sextile ♀ natal Venus

Right now you are drawn to people and situations that feel fresh and unpredictable, and this **opens you up to new connections** that break your usual patterns. You might suddenly want to try a different look, spend time with unconventional people, or pursue an interest that surprises you. These shifts feel exciting rather than risky because *Uranus* sextile *Venus* makes change feel natural and aligned with what you actually want.

♃ Jupiter qx Quincunx ♁ natal NNode

Over the coming weeks, you feel pulled toward new opportunities that don't quite fit your usual pattern, and this creates a practical tension you have to work through. You might say yes to something professionally or socially that requires you to **adapt your approach or learn something new**, even though it feels awkward at first. The mismatch between what you want to try and what comes naturally to you forces you to make a real choice about whether growth is worth the temporary discomfort.

♁ Chiron ∟ Semi sextile ♂ natal Mars

These days you're finding it easier to **speak up about what you actually need** instead of pushing through on your own. You're noticing that asking for help or setting a boundary doesn't drain you the way it used to. This quieter confidence is showing up in conversations at work and in your relationships, making things feel less exhausting overall.

♁ NNode qx Quincunx ♂ natal Mars

Over the coming weeks, you'll notice your usual way of taking action feels slightly off, as if what normally works requires a small adjustment. You might hesitate before speaking up or pushing forward, then suddenly act without your usual preparation, creating an awkward rhythm. This is a good time to notice where you act on instinct versus where you benefit from pausing to check your direction first.

♃ Jupiter Rx · ♍ Virgo

The expansion of practical systems, health routines, and work habits slows during this period in ways that demand honest assessment. Growth that has been accumulating may need to be reviewed for sustainability. Quality over quantity in your work and health practices rewards you more right now.

☉ Sun △ Trine ☾ Moon

These days you find it easier to know what you actually want and to ask for it without overthinking. Your emotional reactions line up with your real goals, so you move forward without fighting yourself. This is a good time to make decisions or have conversations because you sound genuine and people respond well to that.

☾ Moon △ Trine ♂ Mars

Right now you feel like acting on what matters to you instead of overthinking it. **Your emotions and your willingness to do things are working together**, so a project you've been hesitant about suddenly feels doable. These days small tasks get done faster and conversations feel easier because you're not second-guessing yourself.

☿ Mercury ♂ Conjunction ♄ Chiron

Right now you are more aware of what you say and how others react to it, which makes conversation feel slightly more careful than usual. You may notice old insecurities about your words or intelligence coming up, and this **heightened self-awareness about communication** can either help you speak more thoughtfully or make you second-guess yourself. *Mercury* and *Chiron* together at the moment means you are paying attention to the tender spots in how you relate to others through talk.

LUNAR DAY

Moon in ♌ Leo · Day 11 / 30 · First Quarter

The social atmosphere becomes more expressive these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.
