## KEY TRANSIT FACTORS

### ♄ Saturn ∟ Semi sextile ♃ natal Jupiter

Over the coming weeks, you find it easier to **say no to things that don't matter**, which actually makes your bigger plans more likely to succeed. *Saturn* is helping you cut away distractions while *Jupiter* reminds you that the effort is worth it. You notice yourself feeling calmer about money and commitments because you're building something solid instead of spreading yourself thin.

### ☾ Moon \* Sextile ♁ natal NNode

You find it easier right now to **act on what feels right to you** without second-guessing yourself. Your gut instinct about people and situations is sharper than usual, and you're more likely to trust it. Over the coming weeks, this natural confidence helps you move toward the things you actually want instead of getting stuck in old patterns.

### ♇ Pluto qx Quincunx ♀ natal Venus

You feel oddly disconnected from what normally makes you happy, as though your usual pleasures have lost their appeal. Your social or romantic relationships may feel slightly off, making you wonder what has changed when nothing obvious has shifted. Over the coming weeks, you might notice yourself pulling back from people or activities you usually enjoy, until this uncomfortable mismatch eventually settles.

### ♃ Jupiter △ Trine ♂ natal Mars

Right now you feel **more capable and willing to take action** on things you have been putting off. Your confidence in your own abilities is higher than usual, and you find yourself moving forward without the self-doubt that normally holds you back. Over the coming weeks, this is a good window to start a physical project, sign up for something challenging, or push for what you actually want instead of settling.

### ♀ Venus qx Quincunx ☾ natal Moon

Over the coming weeks, you may find your usual way of showing affection feels slightly off or awkward. You might want closeness but struggle to express it in ways that actually land with the people you care about. Small adjustments to how you approach relationships will help you feel more comfortable.

### ♀ Venus Rx · ♈ Aries

Relationships feel competitive or impatient right now, and old romantic patterns tend to resurface. Impulsive decisions about love, money, or self-presentation made during this period often need correction afterward. What feels like a fresh start now is more likely a return to something unresolved.

### ♃ Jupiter Rx · ♎ Libra

The growth of partnerships and social connections pauses for internal review during this period. Beliefs about fairness, collaboration, and what constitutes a good agreement are being quietly re-examined. Clarifying what you genuinely want from close relationships matters more right now than what seems reasonable on the surface.

### ☉ Sun ☐ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

### ☉ Sun ☌ Conjunction ♄ Chiron

At the moment, you're more aware of your own weak spots and how they show up in everyday life. You might feel less confident than usual, or notice old patterns of self-doubt coming up without much warning. This is actually useful because **you can see yourself more clearly right now** — the discomfort is pointing you toward something real that deserves attention.

### ☉ Sun ☒ Quincunx ♁ NNode

At the moment you are noticing a mismatch between what you want to do and what feels like the right direction to move in. You might find yourself **hesitating before making choices** because two parts of you are pulling slightly different ways. This isn't crisis or conflict—just an uncomfortable adjustment where you have to consciously decide which impulse to follow rather than acting on automatic.
