## KEY TRANSIT FACTORS

### ☉ Sun ☐ Square ♅ natal Uranus ★

Right now you feel restless with your usual routines and **resist what you normally accept without question**. You might pick fights with authority figures or suddenly reject plans you agreed to weeks ago, leaving people confused by your sudden change of mind. Over the coming weeks, this friction with the establishment or your own habits will force you to decide what you actually want instead of what you think you should want.

### ☿ Mercury ☐ Opposition ♀ natal Venus

These days you're more likely to say something that irritates people you care about, even when you don't mean to. Your words feel blunt and critical right now, and **you struggle to find the soft way to say hard things**. Over the coming weeks, you may notice that conversations about feelings or shared plans turn awkward or tense because what you're thinking doesn't match what you're hearing from others.

### ♋ NNode ☐ Opposition ♋ natal NNode

Right now you are pulled in opposite directions between what feels safe and what feels necessary, making it hard to move forward on anything. You might notice yourself **hesitating before decisions** or second-guessing commitments you normally would make without question. These days the gap between where you are and where you want to be feels especially frustrating, and that friction is what forces you to actually examine whether your direction is honest.

### ♄ Saturn ☐ Quincunx ♄ natal Saturn

These days you notice your usual routines feel slightly off balance, as if the structure you rely on no longer fits quite right. You might find yourself **adjusting your approach to work or discipline** more often than usual, catching small inefficiencies you'd overlooked before. This discomfort is temporary and often points to practical changes worth making once this period passes.

### ♇ Pluto ☐ Quincunx ♀ natal Venus

You feel oddly disconnected from what normally makes you happy, as though your usual pleasures have lost their appeal. Your social or romantic relationships may feel slightly off, making you wonder what has changed when nothing obvious has shifted. Over the coming weeks, you might notice yourself pulling back from people or activities you usually enjoy, until this uncomfortable mismatch eventually settles.

### ☉ Sun ☐ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

☉ Sun \* Sextile ♂ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

☉ Sun \* Sextile ♃ Neptune

Right now you find it easier to **notice what others need without them having to ask**, and people respond well to this attentiveness. Your practical decisions feel less rigid, and you can hold two opposite ideas at once without getting stuck. This period is good for creative work, counseling conversations, or any situation where you need to read between the lines.

\* = natal resonance — this transit echoes your birth chart, amplifying its influence
