## KEY TRANSIT FACTORS

### ☉ Sun ☾ Semi sextile ♄ Saturn ★

These days you find it easier to stick with practical commitments without feeling weighed down by them. **You can be disciplined and follow through** on plans while still enjoying the process instead of resenting it. The light touch between *Sun* and *Saturn* means your natural confidence supports your ability to work steadily toward real goals.

### ♆ Neptune ☾ Semi sextile ♁ natal Chiron

These days you find yourself **more willing to accept your own limitations** without turning them into harsh self-judgment. When something doesn't go smoothly, you notice you're gentler with yourself instead of dwelling on what went wrong. This shift in attitude makes it easier to move forward and try again without the usual weight of disappointment.

### ☉ Sun ☐ Square ☾ natal Moon

Right now you feel at odds with what you actually need, making it hard to settle into anything or feel comfortable in your own routine. You might **snap at people who are trying to help you**, or find yourself irritable about small practical things like meals or sleep schedules. Over the coming weeks, this mismatch between what you think you should do and what your body is asking for will push you to pay attention to what you're actually ignoring.

### ☿ Mercury ☐ Opposition ♄ natal Saturn

While this lasts, your mind feels **blocked by doubt** whenever you try to move forward on decisions. You second-guess yourself constantly, replay conversations looking for mistakes, and struggle to trust what you actually know to be true. These days your practical thinking gets tangled up in worst-case scenarios, making it hard to communicate clearly or commit to anything without exhausting yourself first.

### ☿ Mercury ☌ Conjunction ♆ natal Neptune

Right now your thinking feels **less precise and more imaginative** than usual, which can help you see possibilities others miss but also makes it harder to focus on details. You might notice your mind wandering in conversations or find yourself changing your mind about things you felt certain about last week. These days *Mercury* and *Neptune* are working together, so use this period for brainstorming and creative writing rather than for tasks that need careful accuracy or planning.

### ♇ Pluto ☌ Quincunx ♀ natal Venus

You feel oddly disconnected from what normally makes you happy, as though your usual pleasures have lost their appeal. Your social or romantic relationships may feel slightly off, making you wonder what has changed when nothing obvious has shifted. Over the coming weeks, you might notice yourself pulling back from people or activities you usually enjoy, until this uncomfortable mismatch eventually settles.

### ☿ Mercury Rx · ♐ Sagittarius

Plans for travel, education, or big-picture goals hit unexpected snags right now. Opinions expressed with too much confidence may need to be walked back, and long-distance communications often get garbled. This is a better period for reviewing beliefs than for broadcasting them.

☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun ♂ Conjunction ♃ Jupiter

Right now you feel more confident about your abilities and less worried about what could go wrong. You are **more willing to take on bigger challenges** and speak up in situations where you normally stay quiet. This period tends to bring real opportunities your way because you are actually showing up differently, not because of luck.

LUNAR DAY

Moon in ♍ Virgo · Day 23 / 30 · Last Quarter

Attention sharpens on what is not working right now — small errors and inefficiencies become harder to ignore than usual. **The tendency to organize, correct, and refine** runs stronger for the next day or two, sometimes at the cost of the bigger picture.
