KEY DATE

☿ Mercury enters ♓ Pisces

Mercury in *Pisces* makes your thinking **slower and less direct** — you'll notice yourself taking longer to find the right words, or changing your mind mid-conversation. In work and daily tasks, this transit rewards **intuition and pattern-spotting** over step-by-step logic, so you might solve problems by sensing what feels right rather than working through details. Relationships often improve because you're more **willing to listen without interrupting** and pick up on what people aren't saying aloud, though you may struggle to explain your own point clearly.

KEY TRANSIT FACTORS

☉ Sun * Sextile ☾ Moon *

These days you find it easier to know what you actually want and then act on it without second-guessing yourself. Your **practical needs and your emotional needs are pointing in the same direction**, so decisions feel less confusing. This alignment between the *Sun* and *Moon* means you can move forward with both confidence and peace of mind.

♁ Lilith ☌ Conjunction ♂ natal Mars

Right now you're more willing to act on what you actually want instead of what you think you should do, and this shows up as **pushing back against rules or expectations that don't fit you**. You might say no more often, stand your ground in conversations, or make choices that feel personally true even if they upset someone else. These days this directness can feel good and necessary, though others may find you harder to manage than usual.

♃ Jupiter ☌ Opposition ♀ natal Venus

Right now you're spending money and making commitments faster than usual, and you're not feeling satisfied no matter what you get. You might overextend yourself socially or financially because you keep thinking the next thing will finally feel like enough. This period pushes you to notice where you're using purchases or relationships to fill an emotional gap that actually needs something else.

♂ Mars qx Quincunx ♇ natal Pluto

You feel a disconnect between what you want to do and what actually works, making it hard to push forward on projects or goals. Your usual drive feels misaligned with deeper patterns in your life, so **you keep starting things only to realize they need reworking**. Over the coming weeks, the practical fix is to slow down and check whether your current direction matches what you actually want long-term.

♂ Mars qx Quincunx ♃ natal Jupiter

Over the coming weeks, you're likely to feel **restless about your own plans and impatient with delays**, even when things are actually moving forward. *Mars* is pushing you to act faster while *Jupiter* keeps pulling toward bigger thinking, so you end up frustrated that progress isn't matching your drive. The practical fix is to break large goals into smaller actions you can complete right now instead of waiting for the perfect moment.

☉ Sun ☿ Conjunction ♂ natal Mars

You're running on more fuel than usual right now, and you're likely to **act on impulses faster than you normally would**. Your appetite for physical activity, competition, or getting things done goes up noticeably during these weeks. This burst of directness can help you tackle projects or stand up for yourself, though you might also notice you're more irritable if something gets in your way.

☉ Sun * Sextile ♃ Jupiter

These days you feel more **willing to take reasonable risks** and try things you've been putting off. People around you seem more generous with their time and help, making it easier to move forward on practical goals. This period brings a straightforward boost to your confidence without the pressure to overcommit or perform.

☉ Sun ∟ Semi sextile ♇ Pluto

These days you have a quiet **ability to notice what really matters** underneath surface conversations and behaviour. Your psychological instincts are sharper than usual, so you pick up on unspoken feelings in others and respond with genuine understanding. This minor aspect between *the Sun* and *Pluto* gives you a practical advantage in conversations where honesty counts.

* = natal resonance — this transit echoes your birth chart, amplifying its influence
